FABLED STREETS OF LAREDO await Robert D. Todoroff (foreground) and members and choropones of the Granite City Latin American rhythm ensemble as they pose at a motel there before beginning a 3,000-mile, 20-performance tour of Mexico. The Granite City ensemble entered Mexico at Nuevo Laredo and, after ceremonies, boarded a private rail-road car provided by the host government.

Plumbing Code Lists Stringent Controls

Inspector To Be Given Right To See Any Home, Structure During Day

A city ordinance creating a new office of plumbing inspection, with sweeping authority that he may enter any house or building in Granite City between 7 a.m. and 5 p.m. in pursuit of his duties was placed on first reading by the city council Monday night.

The bill establishes a series of regulations viewed as giving the inspector extensive control over plumbing work. It empowers him to qualify every person, firm or corporation in the plumbing or drainlaying fields as to their adequacy.

He is assigned the responsibility of approving or rejecting plans and specifications for all plumbing and drainlaying work in the city. He is given authority to issue or reject permits for all such work, and to revoke permits and certificates of authority where he sees fit.

The inspector, to be appointed by the mayor with approval of the city council, also is charged with the duty of controlling health hazards or obnoxious nuisances created by plumbing or sewer defects.

To help him carry out this duty, the ordinance provides that the inspector is hereby given full and ample power to properly carry out the duties assigned him, and in the performance of his duties he is hereby given the power to enter any house, building or premises, in the daytime, between 7 a.m. and 5 p.m. in the city of Granite City.

Transfer Of Site For New School Approved

Plan Location Of New Rooms At Niedringhaus School, GCHS Campus

The Granite City school board last night formally approved transfer of 3.74 acres of the back of the Fohardt grade school campus to the Granite City park district. Ratification also is required from the County School Trustees Board.

In exchange, the park district plans to convey 2.44 acres of its new park located on an industrial site, 300 feet east of Edgewood road, 300x354-foot tract 500 feet south of Wilshire drive will be the site of a new half-million-dollar grade school authorized by voters May 23.

No money is to be exchanged. The park district will assume the cost of installing 35-foot-wide pavement along the 300-foot-long tract.

The board, which met last night instead of Monday night due to the illness of Russell D. Johnson, president of the board, authorized working drawings to be prepared.

Cost Estimate
Estimated cost of the Niedringhaus project, which includes classrooms, has been revised up to \$800,000 to \$750,000. In a separate action, the board asked the city to contribute a \$25,000 bid from the city to the park district.

Classroom construction from the city to the park district. The board also authorized the city to contribute a \$25,000 bid from the city to the park district.

Three Democratic candidates, including George W. Moran of Granite City, were selected at that party's convention in Belleville July 28.

Splice City Illinois
St. Clair County Circuit Judge Quintan Spivey, who had been selected for one of the GOP nominations, asked that his name not be submitted because of his recent surgery.

Strike Today At Hoyt Plant, No Talks Scheduled

A strike by 180 production workers of the Hoyt plant of National Lead Co., which plant officials said came as a complete surprise to them, caused a shutdown of plant operations today. The strike began at midnight last night.

Officials of the plant, located at 16th street and Cleveland street, said one of a long series of negotiation meetings ended at 8 p.m. Wednesday with their belief that an agreement had been reached on terms of a new contract.

Thomas Griffin, district representative of the United Steelworkers, said the company had been told that any agreement reached in negotiation sessions would be subject to approval of the membership. The company's offer was turned down in a four-hour meeting at the Labor Union immediately after last night's session ended at the plant.

Griffin said union members are asking a contract for a shorter term than three years because the company has declined to consider a cost-of-living index. He said they also are dissatisfied with wage structure, overtime and the payment of hospitalization insurance costs, which he said have risen in cost over the last year.

He said an alternative vacation plan had been worked out in the meeting because of so many other items.

Job evaluation is one of the main points of contention, Griffin said.

L. F. Greer, general superintendent of National Lead operations in Granite City, said the company made a final offer of a 27-cent increase spread over a three-year period.

He has been a chemical engineer for 21 years and held post-graduate work in chemistry. He has been in New York, Pennsylvania and Indiana before moving to Granite City about 12 years ago.

He moved to Granite City in 1952. He is a past president of the Paddlers swimming club.

Key To City
A resolution was passed at a brief meeting of the city council Monday night's session during which the city council approved a key to the city for the Paddlers swimming club.

He turned in the letter and his badge to City Clerk A. L. Stevens, who said he would deliver it to the city council.

Members of the council, most of whom made brief speeches of approval for the key to the city, on the council, voted that he be presented with a key to the city.

Plans For Bi-State Coordinating Unit Ignored By Mayors

The southwestern Illinois metropolitan planning commission was endorsed as planning agency for the Illinois metropolitan area by the city council Monday night.

The Illinois division of highways was approved as coordinating agency for the bi-state planning commission, which was organized through the efforts of the Bi-State Development Agency.

A regional coordinating group is required to meet provisions of the 1962 federal highway act if the overall metropolitan area is to remain eligible for federal aid in future highway construction.

Gateway Commission
The East-West Gateway commission, the Bi-State group is receiving the support of the city council. The commission is to be organized through the efforts of the Bi-State Development Agency.

A regional coordinating group is required to meet provisions of the 1962 federal highway act if the overall metropolitan area is to remain eligible for federal aid in future highway construction.

Propose Sale Of City Bonds Without Bids

\$60,000 Available To Regional Plan, Coordinating Unit

Grants totaling \$60,000 can be available to a bi-state regional planning coordinating committee to help in its organization, a statement of the procedures and aims of a coordinating committee.

Initial organization of such a committee was agreed on July 18 by representatives of 14 governmental agencies, including seven from each side of the Mississippi River.

Col. R. E. Snyder Jr., executive director of the Bi-State Regional Planning and Construction Foundation, said a meeting of the coordinating committee would be held in St. Louis.

He was backed initially by both members of the committee, Ford Johnson of the Eighteenth Ward and William McGee of the Sixth Ward, but McGee later voted against adoption.

McGee submitted the plan immediately after the council vote, but the council voted unanimously to accept plans and specifications for construction of the sewage treatment plant and had approved a resolution to call for bids.

Concerned Over Federal Aid
In presenting the proposal, McGee described it as a "solution to the city's problem of unemployment." He said the federal government may act on a request for a \$500,000 grant to aid in plant construction, and over how much the federal government may act.

He indicated the city has been unable to proceed with financing plans recently because of the government's delay on acting, or indicating when it may act.

The city has passed ordinances calling for issuance of bonds up to \$540,000 to finance construction of a sewage treatment plant, work on which is to be started before Oct. 20 under mandate of the Illinois Sanitary Water Board.

The requested federal allotment sets up two bonds issues in the amount of \$120,000 to finance the principal part of the construction of the other of \$150,000. Both issues would consist only of revenue bonds, not general bonds.

The plan calls for issuance of the \$120,000 worth of bonds as soon as possible, with the second issue held in abeyance until such time as the government acts on the federal grant request. In the event the government reduces the amount requested, only part of the \$150,000 issue needed to make up the difference would be issued.

Richard C. Nongard, president of the bonding firm, was on hand at Monday night's council meeting to explain the proposal to council members.

In addition to issuing the bonds at an interest rate which he said could not be bettered through public sale, Nongard, Showers & Murray would forego a fee for preparing the bonds.

(Continued on page 3, col. 1)

Surprise Plan On 1st Reading; Effort To Get Final Adoption Fails

A surprise proposal for private sale of Granite City's sewage treatment plant revenue bonds to Nongard, Showers & Murray, Inc., Chicago bonding firm—and a concerted effort to gain acceptance of the sale to final passage immediately—caught the Granite City council completely off guard Monday night.

The proposal, which a package plan in which the city offered two separate bond issues to finance construction of the sewage treatment plant, along with assurances that the bonding company would pay all costs of completing the issue.

The committee recommendation drew the council into a long and sometimes heated debate that ended in placing the matter on first reading.

The move to obtain final passage of a resolution accepting the bonding firm's sale offer was spearheaded by Charles Moen, first ward alderman and chairman of the council's Special Committee.

He was backed initially by both members of the committee, Ford Johnson of the Eighteenth Ward and William McGee of the Sixth Ward, but McGee later voted against adoption.

McGee submitted the plan immediately after the council vote, but the council voted unanimously to accept plans and specifications for construction of the sewage treatment plant and had approved a resolution to call for bids.

Concerned Over Federal Aid
In presenting the proposal, McGee described it as a "solution to the city's problem of unemployment." He said the federal government may act on a request for a \$500,000 grant to aid in plant construction, and over how much the federal government may act.

He indicated the city has been unable to proceed with financing plans recently because of the government's delay on acting, or indicating when it may act.

The city has passed ordinances calling for issuance of bonds up to \$540,000 to finance construction of a sewage treatment plant, work on which is to be started before Oct. 20 under mandate of the Illinois Sanitary Water Board.

Woman Faces Six Charges After Fighting Police

Mrs. Jessie Wolk, 2111 Delmar avenue, faces hearings on six charges filed in Venice and Madison after a fight Tuesday night with police officers, from both cities. She and another woman suffered injuries.

Mrs. Wolk passed bond Wednesday for hearings Aug. 8 in the Madison court on charges of assault, disorderly conduct, resisting arrest and destruction of property filed by Venice officials, and charges of disorderly conduct and resisting arrest filed by Madison police.

Venice police said they received a call shortly after 7 p.m. Tuesday that a barmaid, Mrs. Mary Ellen Wolkoff, 37, had been cut by a woman known only as Joanne in the Junction tavern at Venice. Mrs. Wolkoff was taken to St. Elizabeth Hospital for treatment of a 12-inch laceration on her forehead. She said her assailant walked behind the bar and cut her with a sharp instrument. Mrs. Wolkoff, 1559 Market street, Madison, said she knew of no reason for the assault.

Police learned the suspect had gone to Erma's tavern at Market and State streets. Venice officers asked Madison police to meet them there.

When the officers walked in the Junction tavern, they arrived and identified her as "Joanne."

Officers said she refused to go with them and began fighting them, tearing the trousers of one officer and kicking a hole through the screen door. Police said they had to use force to get her into the squad car. In the car, she allegedly kicked one officer in the shoulder. Officers said they were forced to handcuff her.

At the Venice police station she refused to get out of the car and had to be carried into headquarters, they related. She was held in the Venice jail overnight and then released, and obtained rotation for arm injuries.

Rotarians Hear Talk On Existentialism

"Existentialism and modern life" was the theme of a talk given Wednesday afternoon to the Madison Rotary club by Rev. Harry Colquhoun, pastor of the First Presbyterian Church in Madison and program chairman for the day.

He explained that the existential philosophy provides one of the strongest deterrents to the increasing depersonalization of contemporary life.

Quoting Martin Buber, the Jewish theologian, he said the traditional "I-Thou" relationship between men is in danger of becoming an "I-it" equation in which each man thinks of all others as ciphers to be manipulated.

Rev. Colquhoun and Frank Fijan will be the club's representatives at the annual Rotary District convention to be held Monday at Lincoln Green, Springfield, winner of the meet will be given \$1000 toward expenses of competing in the international Rotary tournament at St. Andrews, Scotland.

Fijan will recount his experiences on the golf green at the club's next meeting. On Aug. 12, Harry Thelwell will serve as host to the club for an outing-meeting at his clubhouse on Dunlap Lake, Edwardsville.

Mrs. Mildred Gonterman Reported Recovering

Mrs. Mildred Gonterman, 1314 Robin street, Venice, is recuperating at the Missouri Pacific Hospital, St. Louis, where she was taken by ambulance two weeks ago following sudden chest pains.

Her daughter said Mrs. Gonterman is still undergoing tests to determine the cause of her illness. It is expected that she will remain in the hospital for an indefinite period.

Dougher Born To Hillers This Week

Mr. and Mrs. Robert Hiller, 2807 Jorden avenue, are announcing the birth of a daughter Monday at St. Mary's Hospital in East St. Louis.

The new arrival, who weighed seven pounds, two ounces, has been named Rhonda Danielle. She has a brother, Robert Charles Hiller Jr., 15 months old.

Mrs. Hazelrigg, 74, Resident's Sister, Dies

Mrs. Otha Hazelrigg, 74, East St. Louis, sister of two Granite City residents, died at 6:30 p.m. Tuesday at Christian Welfare Hospital, East St. Louis, of a heart attack. She had suffered from a heart ailment for five years and had been hospitalized five weeks.

The daughter of the late Rev. and Mrs. John Phillips of Granite City, she is the sister of Mrs. Raymond (Wanda Horton) Sheriff and Mrs. Harry (Boss) Orthmeier, both of Granite City. Other survivors include two sons, a daughter, a brother, five grandchildren and two great-grandchildren. Services will be held at 10:30 a.m. tomorrow at an East St. Louis funeral home. Burial will be in Valhalla Cemetery.

Prusak In Month-Long Air ROTC Encampment

Cadet Max M. Prusak of Granite City has completed a U.S. Air Force Reserve Officer Training Corps summer encampment at Lincoln Air Force Base, Neb. Cadet Prusak, son of Mr. and Mrs. Max E. Prusak, 2232 Waterman avenue, observed and took an active part in flying and support phases of operations at the Strategic Air Command base during the month-long encampment period. A member of the AFROTC unit at the University of Wisconsin, he was selected for a commission as an Air Force second lieutenant upon completion of AFROTC training and graduation from college.

Adopt Sewage Plant Fees; Collect When In Operation

Granite City's new treatment plant ordinance — under which householders will pay 90 cents a month for each dwelling unit — will be given effect by the city council Monday night with only a few words of comment.

Despite the fact that lengthy debate followed introduction of the ordinance in council session July 20, with members of the council demanding that copies of the bill be made for all aldermen, its final passage was a matter of routine.

First Ward Alderman Charles Moerion presented the ordinance, which was approved by a motion seconded by First Ward Alderman William Dallas. Only comment came from G. H. Storg, president of the Seventh Ward, who asked:

"Don't you think we are being a bit hardhearted about the 10-day period of payment of sewer bills before a person becomes delinquent? Some people are going to be so busy to make payments and it seems to me we have set up a pretty stiff set of requirements."

William McGee, Sixth Ward alderman, explained that the payment program is no different than that established for other sewer rental systems, pointing out that the same requirements are contained in regulations governing operation of the National Sewerage District.

There was no further comment and the rate ordinance was passed unanimously.

The ordinance is only one phase of the city's overall program of clearing the way for construction of a sewage treatment plant, work on which is to begin in Oct. 30 under a contract by the Illinois Sanitary Water Board.

There still remain the jobs of clearing up details of a site at the Army Depot, issuing \$1,175,000 in bonds to finance the building work, and calling for construction bids on the treatment plant, as well as completion of construction plans.

In last week's meeting, Fifth Ward Alderman Steve Basarich said he declined to provision providing for disconnection of sewer service for any sewer user who refused to pay a delinquent bill. Paul Rutledge, Fourth Ward Alderman, questioned the establishment of rates on volume of water service rather than on a flat rate basis, but made only brief reference to the matter.

The ordinance is a lengthy document setting up a fee of 90 cents per month — to be billed at \$2.70 per quarter for houses, hold units with a single water meter and for multiple dwelling units with separate water meters for each unit.

In all other instances the charge for sewer service will be based on the volume of water passing through the meter, or meters, of the dwellings or business and industrial establishments served by the sewer system and the treatment plant.

The ordinance provides that the charge will be based on readings of meters of the East St. Louis & Interurban Water Co. whenever possible. It sets up rules and regulations for establishing rate charges where utility meters are not available or the fee based on water consumption.

The fee based on water consumption starts at 22 cents per 100 cubic feet for the first 30,000 cubic feet used, and then decreases on a fixed scale to a minimum of one cent per 100 cubic feet in instances where 1,500,000 or more cubic feet of water is consumed. Other arrangements for fixing rates under varying circumstances are provided by terms of the ordinance.

In the event of private water systems or water sources other than a public utility, where no meter is available, the sewer plant manager may require any property owner tapping onto the sewer to install and maintain a meter at his own expense. The meter must meet requirements of and be approved by the sewer plant manager who, the ordinance also sets out, will be in charge of operating the sewage treatment plant.

To Total Readings

The measure provides that in cases where a single business or industry occupies contiguous properties, or is divided only by a highway, street or alley, and as a result has more than one water meter, the sewer rate will be based on the aggregate reading of all the meters used by the occupant.

Provisions also are made for adjustments of rates by the sewer plant manager in cases where large quantities of water are used by industrial firms in manufacture of products or other processes in which the water does not flow into the sewer.

This includes such operations as manufacture of ice, beverages or canned goods in which water is transported away rather than used through the sewer. In this case, the plant manager may determine the percentage of water consumption upon which the sewage use rate is to be based and may, if he desires, require the company to install additional meters to help gauge sewer volume.

Effective Date

Payment of the sewer fee is to become effective Jan. 1, 1966, upon completion and the beginning of operation of the sewage treatment plant, whichever occurs first, the ordinance states.

Bills are to be paid within 10 days after they are mailed to sewer users who fail to do so will be subject to a 10% penalty. In the event of delinquent accounts, the city may, from time to time, sue the owner or occupant of the premises served by the sewer and, if necessary, obtain a lien against the property to satisfy the charges.

It also provides that a sewer may be disconnected from any location upon eventual failure of the city to collect outstanding charges, and that costs of disconnecting may be added to the bill of the delinquent.

Notify City Of Realty Sale

To maintain a current record on all properties, landowners who transfer title of their property are required to notify the city comptroller's office of such a transfer within 10 days after the transfer is completed and he comes effective.

Real estate brokers and agents are required to notify the comptroller's office of all such property transfers on behalf of their clients, either buyers or sellers, or processors or personnel.

Any property discharging sewage other than "normal sewage" may be required to install a suitable control structure to facilitate observation, sampling and measurement of the waste in accordance with the approval of the plant manager.

Owners of plants discharging commercial and industrial wastes at reasonable intervals a report describing the character and quantity of all such wastes. The treatment plant manager at any time may take samples and run tests in such cases.

Surcharge Fee

The low sets up a surcharge fee of \$7.50 per quarter to be charged in addition to the regular rate on any property located outside the city limits of Granite City which is connected with the sewer system.

Regular rate charges set out in the ordinance will be in addition to the \$2.50 monthly charges paid by users of the sewer system in the Namecki area of Granite City, including the Parkview area No. 2 sewer system, and extensions of those systems.

Penalty clause of the ordinance provides a fine of from \$5 to \$300 for violation of any section of the bill or for refusal to obey its terms, with each day of violation to constitute a separate offense.

BROTHER OFFICERS of Tri-City Post 113 of the American Legion congratulate each other upon their installation. They are Joseph Summers, right, new post commander, and Harold Summers, finance officer, who also is the 22nd district junior vice-commander.

First Annual Party For Local Hairdressers

The first annual "Hairdressers' Road" sponsored by the Elite Hairdressers Association, Affiliate 33, has been scheduled for 7:30 p.m. Monday, Aug. 31 at Jug's Hide-Away on Namecki road. Mrs. Sara Dutko, social chairman, said an orchestra will provide music for dancing throughout the party.

Highlighting the evening's program will be introduction of the newest trend in hair-styling, "The Flair" Collection, presented by the hair fashion committee under the direction of Mrs. Dana Harris.

The latest trend in the hair fashion world received its pat in debut last week before 900 delegates at the National Hairdressers annual convention in Cleveland, O., and replaces the current "Leap Year" trend, a medium-length petal effect which, according to local beauty shop owners, has proved to be the most successful hair style accepted by Quind-City women in recent years.

No limit has been placed on the number of guests association members may invite to the party with a moderate 50-cent donation requested for non-members. Special invitations are being extended this week to all area beauticians. Mrs. Dutko reports, and anyone desiring further information may contact her at TT-6-6711.

Thurs. present Monday evening will also preview the planned costume presentation to be entered in the local chapter in the "Parade of Affiliates" in September at the state convention in Chicago.

Local Air Reservists Ready For Summer Camp

About 250 Air Force reservists from the St. Louis area, including six Granite Cityans, will begin their annual two-week summer encampment Saturday at Scott Air Force Base. They are members of the 52nd Casualty Staging Group, a medical unit regularly stationed at Scott.

The 52nd has a wartime mission of assembling, processing and evacuating wounded personnel from areas between battlefields and permanent hospital facilities. It is the largest of its kind within the Air Force.

During the encampment, the airmen, officers, physicians and nurses will participate in field exercises and also train at the base hospital. They will be trained by regular Air Force medical personnel in addition to a team from the First Aeromedical Evacuation Group at Pope Air Force Base in North Carolina.

Local participants will be M. E. Fichter, 2905 Madison avenue; Paul G. Halbert, 2437 Washington avenue; J. J. Hollen, 2618 Jorden avenue; J. H. Roller, 4627 Old Alton road; K. L. Setser, 43 Cambridge drive; and W. R. Slaby, 2411 Adams street.

Any property discharging sewage other than "normal sewage" may be required to install a suitable control structure to facilitate observation, sampling and measurement of the waste in accordance with the approval of the plant manager.

Owners of plants discharging commercial and industrial wastes at reasonable intervals a report describing the character and quantity of all such wastes. The treatment plant manager at any time may take samples and run tests in such cases.

STANDOUT PITCHER in the Venice Sportettes' drive for the Girls' Twilight Softball League championship has been veteran Betty Gildner, who began hurling 22 years ago at the age of 11. Playing on St. Louis teams for many years, she appeared in the World Tournament twice with the old St. Louis Blues. "Woody" returned to softball this season after a two-year layoff due to ill health. Her clutch pitch is a dazzling change-up.

She is expected to pitch at 8:30 tonight when the Sportettes play at Lee Park, Venice, against the newly-crowned state champion Alton Jackson Lakers. The teams are battling for first place in the league.

Baseball, Softball, Swim, Tennis Meets

Busy August at Wilson Park

August is generally a hot, sleepy time of year when many folks like to stretch out on the living room couch for a peaceful snooze, cooled by the fan or air conditioner.

Increasingly, however, August is becoming a bustling period for summer athletes and their followers a bustling period—their last fling before the school term and football dominate once more.

In line with this trend, next month—particularly at Granite City's Wilson Park—the athletes and fans will have the expected sizzling temperatures and shrug off yawns to participate in a heavy schedule of special sports events.

Activities at the park will include baseball, fast-pitch softball and slow-pitch softball tournaments along with swimming and tennis meets. These events will be in addition to the usual boys' baseball and softball post-season playoffs and Sunday ball games at the park.

40-Team Boys' Tourney

A new Granite City park district event will be a 40-team boys' invitational baseball tournament. It was announced today by Harold Brown, director of parks and recreation.

The tourney, which will include teams from several Illinois and Missouri communities in addition to Granite City, will be held Aug. 22, 23 and 24. Competition will be in five age groups—Atom, Bantam, Midget, Juvenile and Junior—with eight teams in each division.

There will be openings in each division for two teams from the local Park League with the first and second-place squads having the first opportunity to enter. Since Granite City has several leagues in most age groups, Brown noted that teams from the Sally Parker Atom, Owen Friend Bantam, Smoke Padgett Midget, Doc Coleman Juvenile and Slim Cullen Junior divisions have priority.

Brown said teams from Kirkwood, Florissant, Ladue and Brentwood, Mo., and Stanton and Cahokia, Ill., will definitely enter. Clubs from other towns also are expected. Entry fee is \$7.50.

Slow-Pitch Field Enlarged

Brown, who is also the Illinois Amateur Softball Association representative here, announced that the number of teams for the second annual state slow-pitch softball tourney has been enlarged from 16 to 24.

Starting date of the single-elimination affair has been moved up to Aug. 12, with games daily through Aug. 16. There will be 19 local teams, including defending champion Polish Hall, two from Pekin and two from Springfield, plus one each from Urbana, Alton and East St. Louis.

Other Granite City teams entered are Kirchner-Madison Bowl, Ernie & Annie's Sportsman's Club, Nierdinghaus Spangler-Dawes, Club Delmar, Delmar, Delmar, Delmar, Delmar, Lillian's, Hope Lutheran, Lincoln Place, Union Electric, Union Star, Liberty Home, Jacobsmeier's, A. O. Smith, Lakeside Inn, Air Products and Granite City Steel Blast Furnace.

Alton Swimmers Beat Paddlers Again; Repeat Battle Saturday at Belleville

Summers-Pott of Alton defeated the Granite City Paddlers 30-17 in a dual swimming meet Monday in the winners' pool. It was the first dual meet between the two teams since the Paddlers this season in the Southwestern Illinois Swimming Association.

The Paddlers will have another chance at their arch rivals at 9:30 a.m. Saturday in the first annual Belleville Area Club meet. Other teams entered are Town & Country of Belleville, Montclair of Edwardsville and Daneshore of Belleville.

Summers-Pott is the only team the Paddlers have been unable to beat in the past three years. The Alton team entered last week's AAU championship at Marion.

The top event featured John Evenden's win over Alton's Jay Barrett in the 100-meter butterfly for 15-17 year-olds. The two had finished in a dead heat for first at Marion.

Tommy Hartman in the 800-meter and Ann Rickhous in the 3-10 age group both won two firsts for Paddlers. Kelly Hogan in the 15-17 class took a surprising first in the 100-meter backstroke.

Hogan, Cindy Zahn, David McFee and Pat McFee led the Paddlers' sweep of the diving competition.

Watson Two-Hits Union Electric In Classic Loop

Teams tied for the Classic League championship last night at Wilson Park. Both clubs have 6-2 records.

Spangler-Dawes knocked off Union Electric 3-0 behind the two-hit pitching of Ray Watson. The only hits off him were Glen Koerger's double and Jim Williams' single. He struck out four.

The winners scored one in the fourth on Bill Scarsdale's double and Ron Fedorak's sacrifice fly. They tallied twice in the sixth with two outs on Scarsdale's single, Bill Kamada's double and Fedorak's single.

Frank Hilde also had two hits for Spangler-Dawes.

Jim Vincent of Kirchner-Madison Bowl gave up six hits in a five-inning 10-0 triumph over the Oilers.

Bob Ketter had two doubles and Jim Peppers two singles for the Oilers.

KMB pulled out eight runs in the second inning. KMB pitcher Bill Curry, only KMB player to get two singles, had two walks and two errors aided the winners' offense.

THE MADISON COUNTY SPORTSMAN

By DON HASTINGS
County Conservation Officer

Reports of good catches have slowed down with the hot weather. There was one good string of catches on a red-tailed plastic worm, and a two-pounder and several one-pounders on live minnows.

With either live or plastic worms it is a good idea to cast them out and let them sink slowly to the bottom without weight and, after letting them rest a moment, retrieve them very slowly with a sure, humpy motion.

A three-pounder was caught on a double-jointed livebait, but, as a whole, top water lures have not been too successful. Success has been had with live minnows. River fishermen have had good luck with heavy weighted lines cast into deep water and baited heavily with worms. This has been producing good catches of white perch or drum.

Squirrels Plentiful

With Saturday opening the squirrel season here, we expect to hear of a number of limited being bagged since the squirrel population seems to be good. Hunters seeking in the woods for forest fowl that most squirrels are not working on.

Shackles with a few sampling nuts along cornfields and berry patches so would be a good idea to start the season. Remember how important it is to ask permission before hunting a piece of ground and also to know just where the boundaries are after you have received permission. Often a hunter says, "Why, I have hunted in your woods and you have never said anything." This is not sufficient excuse, however, for a new owner wants to know in order for a landowner to prosecute. The burden lies upon the hunter to inquire and ascertain ownership and permission.

22 Rifle Legal

It is deemed legal to hunt squirrels with a .22 rifle, as well as a shotgun.

Saturday is a little more quiet necessary and with either it is not a good idea to shoot on the ground but to let a squirrel climb up a tree and out of the danger zone before firing.

The new hunting and trapping law digest will be delivered this week to clerks and other license outlets in the county.

If you have previously bought your license you may go back to the county clerk's office for a new one. Conservation furnishes these at no cost and it is a good idea to familiarize yourself with the law and perhaps save yourself from violations.

The ASA decided on a larger state tourney, rather than holding preliminary meets, in hopes of creating more slow-pitch interest in other areas of the state. Richard Neumann is chairing one-man sponsorship of the tourney.

Class B Regional Booked

Also at Wilson Park, scheduled for Sunday, is the Class B fast-pitch softball regional tournament. The champion advances to the ASA state finals at Macomb.

Four teams are entered, including defending winner Kirchner-Madison Bowl, and all games will be Sunday night at the park softball diamond.

At 6:30 p.m., Kirchner-Madison Bowl meets Union Star and at 7:45 p.m., Granite City Steel tackles Spangler-Dawes. The two winners play for the championship at 9 p.m.

The Macomb finals on Sept. 2-7 will include 26 teams. Competition will be for boys and girls in 8-and-under, 9-10, 11-12, 13-14 and 15-16 age groups.

Entries for the meet, exclusively for residents of the park district, must be at the pool office by Aug. 12. Entries received after this date will not be accepted.

Diving will be divided into two age groups—13-and-over and 12-and-under. Swim races, in the above-mentioned age classifications, will be freestyle, breaststroke, backstroke, and relay.

Individual winners will be awarded trophies. There must be at least three entrants in an event or that event will not be held. Walter Whitaker, pool manager, is in charge.

Two Tennis Tournaments

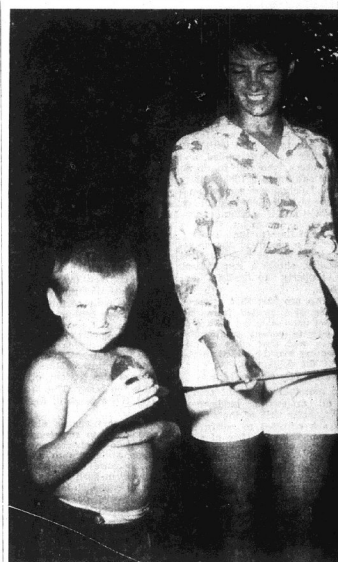

The park district's annual tennis tournament runs Monday through Friday at the park courts. As previously announced, singles and doubles will be held in most divisions with doubles only in the ladies-on club and singles only in the men's 35-and-over class.

Players must register at the park office by noon Monday to be eligible. There is no entry fee, with the tournament open to park district residents only.

Entries close at noon Aug. 19 for the Southern Illinois Park & Recreation tournament slated Aug. 21-22-23. Entry fees are \$2 for singles and \$1.50 per player for doubles and applications may be obtained from tournament manager Dave Moss, 2873 Washington avenue.

Elsewhere during August, the Mathews Chevrolet team will be in next week's Class A sectional softball tourney at Caseyville's season-ending activities will be held in the Madison-Venice-Khoury League and Normal Little League. Venice will confide its race for the Girls' Twilight Softball League pennant, golfers and fishermen and swimmers will continue their pursuits and...

Say, who are those people who stretch out on the living room couch?

MOST FELLOWS PLAY golf for years and years without hitting a hole-in-one. Not so with 16-year-old Chris Louis (center), playing her first summer of golf. She caddied the 181-year No. 8 hole Tuesday morning at Sunset Hills Country Club. Her little brother Jimmy, five, holds head of No. 4; wood she used for the drive and a 11-year-old sister, Mary, 11, shows the club. They are children of Mr. and Mrs. James C. Louis, 2335 Pontoon road. Chris, whose partner was Tonye Ann Green, finished the par 36 nine with a 48.

Mathews Splits Two With Alt-Wood; Blue Circle Calls On Saturday Night

Managing to keep just above 500 for the season, Mathews were of the infidel variety. Chevrolet grabbed a spit with the state champion Alt-Wood Merchants in exhibition softball. Mathews last 3-0, then scored six runs in first inning and took the second game 7-2.

Combined with a Bi-State League softball night at Millstadt, where Mathews lost Adams-Gordon-SIAC 9-0 and lost 6-1, the decisions give the Granite Cityans a 25-24 mark.

They are scheduled to meet Blue Circle of St. Louis, the Bi-State champ, in an exhibition doubleheader at 7:30 p.m. Saturday at the park in preparation for the Class A softball sectional which opens Monday night at Caseyville.

Mathews meets Vandalia in the tourney's second game at 8:45 p.m. Monday, followed by a 7:30 p.m. opener between Caseyville and Ringwald's of Belleville. The four other entries in the double-elimination meet play Tuesday.

The top two teams at Caseyville advance to the state finals Aug. 19-24 at Decatur.

Glisson's Streak Ends

When Adams-Gordon-SIAC met the four other entries in the double-elimination meet play Tuesday.

The top two teams at Caseyville advance to the state finals Aug. 19-24 at Decatur.

Mathews scored six in the first on hits—doubles by Ron Dillard and Dan Reilly, Babe Champion's single and Harold Royer's three-run homer. The seventh run in the fifth scored on singles by Kelly and Jake Hinterse and a two-out error. Glisson finished with four strikeouts and no walks in his five-inning, Butch Rister took the loss.

Rip Ragge pitched Alt-Wood's triumph, giving up only two hits—Champion's double and a single by Jack Scarborough. He walked one and struck out three. Alt-Wood had six hits, including Wayne Simpson's solo homer, off loser Ray Hoffman.

Three-Hit Shutout

In the first game at Millstadt, Glisson turned in a three-hit shutout while his mates piled up nine runs on 10 hits. Glisson walked none and struck out four.

Mathews scored three in the third on hits by Glisson and Roger Smith, an error, a walk and a sacrifice fly. After Mary Brooks' single and Ron Dillard's double scored a run in the fourth and five more came in the sixth, singles by Glisson, Smith and Hinterse highlighted the latter inning.

After beating Adams-Gordon-SIAC's best pitcher (Clete Schwaegel), they were held on

St. Clair at St. Clair
St. Clair at St. Clair
St. Clair at St. Clair
St. Clair at St. Clair

Shooting for a second straight bulleye against the defending league champions, Sacred Heart of Granite City travels Sunday to Jones Park, East St. Louis, for a contest against St. Clair.

Meanwhile, Mercer Funeral Home will try to avenge Sunday's 6-5 defeat against the Troy Red Bats at Wilson Park here. The Hearts' downed St. Clair 8-2 last Sunday but the Mercers, by losing, missed their chance to pull within a half-game of St. Clair in the Southwestern Illinois Inter-City Baseball League's Blue Division.

All Inter-City teams face the same opponents for the second straight Sunday as the schedule enters the third and final round of games. The regular season is to close Sept. 7 with the two divisional winners meeting in post-season playoffs.

Frank Hilde, the outfielder who paced the Hearts' victory over St. Clair with five hits, leads his club with a .444 average on 24 hits in 54 at-bats.

Other averages include Bob Burns and Bob Jones, .318; Adrean Rains, .314; Mike Sues, .314.

King's Men Creep Into First Again

The exchange game for first place in the High School League pitch softball pennant race continued Monday night at Wilson Park as the King's Men crept into first place.

The victory gives the King's Men (7-1) a half-game lead over Lincoln Place (6-1) in the two teams' continuing battle for the lead. If Lincoln Place can defeat the YMCA tonight, the championship will be settled when the two leaders meet for the final time Monday night.

Three hits by Doug Wainfield and two each by Frank Ferguson and Rick Whitsell paced the King's Men. Russ Peters had three safeties and David Wachtler, Steve Fraley and Chuck Mizanski took each for the PFCS.

Aug. 6 is the final date for regular league play with the post-season playoffs scheduled to start Aug. 10.

Four Will Compete For Scotland Trip

Four men will represent the Quad-Cities at the District 646 Rotary golf tournament Monday at Lincoln Greens in Springfield.

Champion of the one-day affair will win a \$1000 expense-paid trip to the International Rotary tourney at St. Andrew's, Scotland.

Representing the Granite City Rotary club will be Art Koerper and Dick West. From the Madison Rotary club will be Frank Fijan and Rev. Harry Olschun.

Park Games Postponed

Baseball and softball district softball games scheduled for Wilson Park Aug. 12-13-14 will be postponed due to the state slow-pitch softball tournament.

Jacobsmeier's Ties For 35 & Over Lead Via Win Over Jiffy

Jacobsmeier's beat Jiffy Car wash 4-11 Monday night to tie the leaders for first place in the 35 & Over League at Wilson Park. Both slow-pitch softball squads have 6-2 records.

Three hits by Les Thompson, a homer and single by Harry Taylor and a round-tripper by Al Paskus paced Jacobsmeier's. Two hits each were rapped by pitcher Ollie Jacobsmeier, Ted Sabel, Stan Serwaka, and John Allen.

For Jiffy, Dick Bartell, Rog Bowler and Paul Frawley each stroked three hits. Harold Mann, Larry Puente and Rich Fry had two apiece.

Jacobsmeier's fell behind 5-2 in the second inning but after 4 1/2 frames had a 14-5 advantage.

Bellevue Sporting Goods retained second place with a 5-3 mark by defeating Local 16 in an 11-0 whitewash. Pat Patterson pitched the rare shutout, allowing nine hits.

Top hitter was Millard Schwaner with three safeties including a triple while teammates Babe Ameing, Nellie Hagman and Von Hoe Haeber had two hits each. For Local 16, Ray Lowell had three hits with Ted Clavar and Russ Terry getting two each.

Who escapes a duty, avoids a gain.
—Theodore Parker

Track Youngsters In Meet Saturday

Granite City's team of 32 youngsters will leave at 7:15 a.m. Saturday from the Coe high school high school gymnasium for the Granite City team meet at the Junior Sports Center. The meet will be the first of a series of three-place individual winners advancing to the state finals Aug. 28-29 at Sterling.

Boyd Presley, local chairman for the Junior Chamber of Commerce-sponsored activity, said lunch for the Granite City team will be provided by the Hillboro Jaycees. Twenty-three place winners are entered, with first-place individual winners advancing to the state finals Aug. 28-29 at Sterling.

MacZura Finishes Fourth

Warren MacZura of Granite City finished fourth in the open class control-line scale flying event at recent 33rd National Model Airplane Championships at Dallas, Tex.

have been concerned with financial and with the possibility of being forced to submit to policies of the coordinating committee as outlined in the prospectus.

No Obligations

But it was stressed that the individual cooperating groups would not be so subjected, and that currently there would be no financial obligations.

In making the offer for the Granite City 33rd National Trust Co. of St. Louis said that members of the regional planning coordinating committee "should be able to assist in the preparation of the prospectus, but also to continue to cooperate in the transportation planning project."

The trust company also felt that with equal representation from the major political entities on both sides of the river, "we believe that successful cooperation in this endeavor will lead to further overall cooperation."

Harbor Fire Protection

Approval of a contract with the city of Granite City for fire protection service at the Chain of Rocks canal harbor was deferred pending review by Bi-State attorneys.

Arrangements are being made for installation of a fire hydrant at the harbor, which, with fire protection service from the city, would result in a saving of about one-third on Bi-State's insurance premiums on harbor facilities.

The savings would amount to about \$400 per year.

Smyser objected to a clause eliminating the city from its liability or damages. He said the clause does not appear in a similar city contract with Reilly, H. Chamberlain, a Democrat. A successor has not been named.

The action was described as political by Joseph Blair of Chamberlain's public information office, who said many of the field personnel were serving as political workers as well as public officers. He told the Press-Record about 600 or a fourth of the patronage employees have been changed since the death of Secretary of State Charles D. Drake in 1952.

Dismissal of Charles Luther Ruder, Granite City Republican chairman, as inspector in charge of state automobile investigators in an eight-county area was announced this week by Secretary of State William H. Chamberlain, a Democrat. A successor has not been named.

MORE ABOUT

Ensemble Praised
(Continued from page 1.)

States could learn to such perfect the intricacies of Latin American rhythms.

"They sound much more skillful than our own Technological group and better than most of our dance bands in Mexico because they play so perfectly. We consider it a great honor that such specialists would take the time to play for our club."

"After spending Monday and Tuesday in Monterrey, we went to Ciudad Victoria Wednesday and played for the people in another attractive central park."

"We also played in Victoria at the University of Panamuel, where the audience would hardly allow the ensemble to stop. News reports described the performance as 'brilliant,' 'Astonishing'."

The intense heat in the desert area of Mexico caused fatigue and discomfort that had been anticipated, but Alassi said the audience would hardly be in "good spirits and good health."

Mexican railroad authorities said it would cost \$700 to \$1000 for them to provide an air-conditioned car and the ensemble's budget does not include funds for this purpose.

Possibility of substituting other activities for visits to some of the small desert towns is being considered. At Monterrey, officials were so impressed by the ensemble that they offered two expense-free days in Linares, if the itinerary can be revised.

No decision has been made, but the currently high tourist allures may prompt Toland and his associates to give serious study to the proposal, it was indicated.

Plans For Bi-State
(Continued from page 1.)

any commission, of which the Bi-State Development Agency is a member.

The East-West Gateway commission was expanded from 15 to 17 members at a meeting of a technical subcommittee Tuesday in the Bi-State Agency offices. It includes the mayors' council and the Illinois Metropolitan Plan commission, as well as Madison, St. Clair and Monroe counties, the city of East St. Louis, Illinois highway division and the Illinois Board of Economic Development. Missouri and Illinois each will have eight representatives on the commission.

It was proposed at the technical subcommittee meeting that the Missouri area form its own plan commission, similar to the one here, to make regional planning coordination through the Gateway commission as simple as possible.

Area Still Unqualified

A new report by Federal Highway Administrator Rex M. Whitcomb continued to list the East St. Louis area among 79 cities and urban areas as making insufficient progress in highway

construction plans under the federal highway act. A coordinated planning process must be developed by July 1, 1965, if the area is to continue to receive federal aid.

The original 15-member committee was formed at a meeting in June to help meet the requirements, and accelerated efforts will be made, according to Col. R. E. Smyser Jr., Bi-State

Agency executive director. Last June, federal road officials said such a committee would be sufficient to qualify the entire area; Shanahan agreed that the Gateway commission can meet the federal requirements if it is firmly developed.

Johnson Named Agent For GC School Board

Russell D. Johnson, Granite City superintendent of schools, was designated as the official representative of the school district in all matters relating to federal public laws 815 and 874 during a school board meeting Wednesday night.

The school district has received federal aid under the two Congressional Acts. He succeeds Dr. Harold M. Kaiser, former superintendent.

The board also designated Johnson as its official representative in all matters relating to the contractual work of the two architectural firms of Virgil Duganoff and Gabriel & Duganoff in connection with additions to Niedringhaus school and the senior high school, and construction of a new elementary school and junior high school.

A report from the Continental Insurance Co. on the condition of boilers and water heaters in the schools indicated nothing requiring drastic repairs.

Comments on schools included: Mitchell, provide relief valve on the hot water tank; high school, repair refractory around burner openings and clean and paint inside of hot water tanks; Central junior high, provide for entrance in fire box; Logan, replace pipes and shell plates with sheet metal; and pipe caps; Marshall, provide approved relief valve on hot water tank and revise feedwater treatment; and Washington, revise feedwater treatment to prevent further painting.

The board authorized purchase of 16 Singer sewing machines, uniform equipment in the junior and senior high schools, at a net cost of \$1973. Included are 12 replacement machines with stools at Central, less trade allowance \$1392; two replacements at Coolidge junior high, less trade-in, \$245; and two additional machines at Prairier junior high, \$365.

The district received a crop rental payment of \$298 from Herbert Rapp as a one-third share from wheat harvested on school district property near Pontoon Beach. Additional rental payments are to be received when soybeans are harvested.

A proposed health chart for use in the public schools, developed by school district nurses and approved by the Madison County Nurses' Association, was approved by the board. The chart will be submitted to the Madison County Medical Association for approval before it is distributed to the various schools.

Speed Limits, Stop Streets Designated

A series of resolutions establishing speed limit and boulevard stop regulations were given final passage by the Granite City council Monday night. The bills were approved unanimously on motion by Alderman Edmund Bartosick, who introduced the measures.

One resolution establishes a 25 miles-per-hour speed limit for east and westbound traffic on West Pontoon road from the city limits to Namecki road and establishes a penalty of from \$5 to \$25 for violations.

A similar resolution provides for a 25 speed limit for north and southbound traffic on Franklin avenue from Johnson road to Pontoon road, with a similar penalty for violations.

Another resolution establishes stop at Lindell bluff and Franklin avenue, with the sign on Lindell for traffic entering Franklin, while still another provides stop for 18th street traffic at Edison avenue.

POLITICAL EDUCATION COMMITTEE dinner in Belleville. Five Granite Cityans of United Steelworkers Local 67 (Granite City Steel Co.) are pictured with State Rep. Paul Powell. Pictured are (left to right) Herbert Milton, treasurer; James Keilman, recording secretary; Paul, democratic candidate for secretary of state; Edward Boyer, financial secretary; Clyde W. Boyd, representative, United Steelworkers; and Weldon Burch, sponsored by the 24th Congressional District COPE of the AFL-CIO, the July 25 banquet raised funds for a non-partisan registration drive. Four hundred labor leaders and their wives heard Powell speak. Other candidates present were Lloyd "Curly" Harris and Leonard Kennedy, state representatives, and James Chapman, Madison county recorder of deeds, plus Paul Simon, state senator whose term continues through this election.

Frames Factor In A. O. Smith Sales Increase

A. O. Smith Corp. earnings increased 9 1/2% to \$30,010,000 while sales rose 5% to \$155,190,000 during the first six months of 1964, compared with the same 1963 period, it was announced yesterday. The firm has its auto frame manufacturing plant in Granite City.

The Milwaukee, Wis., based firm said that for the recent first half its earnings were equal to \$23.3 a share on 2,145,000 shares outstanding, against \$21.4 a share a year earlier. Earnings for the first six months of 1963 were \$4,393,000 and sales totaled \$147,872,000.

For the three months ended June 30, A.O. Smith had earnings of \$2,883,000 or \$1.33 a share on sales of \$79,818,000, compared with earnings of \$2,811,000 or \$1.32 on sales of \$78,855,000.

In a report to shareholders, L.B. Smith, president, said that in the second quarter of 1964 automobile frame shipments exceeded the levels of a year ago while tubular products shipments were below the same 1963 period.

"It was also during this period," said Smith, "that we experienced the initial impact of the retreating costs for 1963 automobile frames. The changeover program for the new models is the most extensive we have ever had. It means effort will be felt in the third quarter, the same time that volume for this division is at its lowest level for the year."

Performance for A. O. Smith's Industrial Products group showed general gains during the second quarter, according to the firm's president. He added that within the group, work is progressing on schedule on three new plants: a Welding Products division plant at Charlotteville, Va., a Clark Controller Co. plant at Lancaster, S. C., and an Electric Motor division plant at Mount Sterling, Ky.

Carp's To Honor Mrs. Burnett, 45- Year Employee

In recognition of 45 years of service with Carp's department store, Mrs. Ann Burnett, the oldest employee of the local firm, will be honored by her employers and co-workers with a series of events beginning tomorrow and continuing through Saturday.

Mrs. Burnett, who has worked in the ladies' furnishings and ready-to-wear departments for four-and-a-half decades, will be paid tribute all-day Friday as "Queen For A Day At Carp's."

Her regalia during the two-day affair is to include an appropriate crown of office and a "crying towel," the latter expected to be used when her friends and old customers alike visit her to discuss old times.

All day tomorrow, "Queen Ann" will be seated in a distinctive area at the front of the store, with plants arranged for a special presentation to be made by her co-workers tomorrow morning at 11:30 a.m.

Noted Of Former Chief
Mrs. Burnett, who resides at 2236 Lee avenue, is the mother of former Granite City Chief of Police Eugene Burnett, and the grandmother of Debbie, 12, and 21-year-old Donald Burnett, her grandson, a graduate of Southern Illinois University, Carbondale, is presently studying for his master's degree in journalism.

For the past 21 years, Mrs. Burnett has served as an office of the Retail Clerks Union, Local 435, in which she has been an active member since 1939.

According to G. D. Donovan, store manager, the "Ann Burnett Days" honors to be afforded Mrs. Burnett are "but a small token of appreciation for her long years of valued and faithful service to the company, during which she has served three generations of customers."

Other successful bidders for various items were: insect killer, W. B. McDonald & Co.; cafeteria supplies, Morgan Linsen Supply, Inc.; ice cream, Midwest Dairy Products; crackers, Schaefer & Burch Co.; cracker packs, and Sunshine Biscuits, Inc.; bulk crackers and Graham cracker crumbs; \$297.1 in cafeteria paper goods, six firms, including \$306 from Graham's Book Store.

**Val J. Delaney, 46,
Depot Supervisor, Dies**

Val J. Delaney, 46, a supervisor for 19 years at the Granite City Army Depot, was fatally stricken with an apparent heart attack Monday evening while working in the yard of his home in Alton. He had not previously suffered from a heart condition. He had attended St. Louis University and St. Benedict College, Atchison, Kan. A veteran of the African, Italian and Sicilian campaigns during world war II, he had been employed at the Granite City Army Depot since his return from military service.

He is survived by his wife, Kathleen; three sons, Michael, Val Jr. and James; and a daughter, Patricia, all of Alton; a brother, Emmett of Alton; and two sisters, Mrs. Eugene Springfield of Clayton, N. Y. and Mrs. Paul Zerwas of Alton.

Services were held this morning at St. Patrick's Church, Alton.

Have you something to do tomorrow; do it today.

Thoeke, Reiske Named To Bicentennial Group

Edward G. Fellner, chairman of the Illinois-St. Louis Metropolitan Bicentennial Committee, today announced the names of 12 persons who have accepted appointments to his committee. They include Edwin P. Reiske and William H. Thoeke of the Quad-City area.

The committee was established to plan, direct and coordinate Bicentennial activities that are of importance to Madison, St. Clair and Monroe counties in Illinois.

Fellner accepted chairmanship of the committee at the request of August A. Busch Jr., President of the Bicentennial Corporation, Mayor Alvin G. Fields of East St. Louis will serve as honorary chairman of the committee.

Presbytery Luncheon Meeting Attended By 76

A meeting of the Alton Presbytery was held Tuesday in Granite City with the Nameless Presbyterian Church as host church.

The meeting, which convened in the morning and continued throughout the day, was held at Emmanuel Baptist Church, with 76 ministers and elders from 48 churches present.

Rev. Howard Janssen of the Hillsboro Presbyterian Church served as moderator. A Holy Communion service was conducted by Rev. Janssen and Rev. Sherman Wilson, pastor of the host church.

The noon luncheon was served by the Mariners, a young married couples' organization.

Two Youths Arrested On Drug Race Charges

Two Venice youths face hearings Aug. 10 on charges of drug racing and careless driving following their arrest by Venice police at 7:30 a.m. Tuesday.

Larry R. Luken, 18, of 200 Main street, was charged with drug racing and careless driving in separate warrants. Michael V. Dennis, 20, of 502 Main street, was charged with careless driving by drug racing and driving without a driver's license. Police said they were racing on Klein street and ran a stop sign at Washington avenue.

Midsummer Mishaps Cause Busy Schedule At Hospital

Midsummer mishaps continue to plague Quad-City youngsters and grown-ups alike, and an increase was noted Tuesday in emergency cases treated at St. Elizabeth Hospital.

The most serious mishaps involved three young children. William Hodge, 3½, son of Mr. and Mrs. Chester Hodge, 2040 Missouri avenue, who was admitted to the pediatric ward after he consumed an unknown quantity of roach poison. Jewel Monique, four-year-old daughter of Mrs. Berna Vanover, 1320 Sixth street, Madison, who was transferred to St. Mary's Hospital, Clayton, Mo., when an initial examination showed a clunk on bone lodged in the lower throat; and Jeffrey DeMott, 2½, son of Mr. and Mrs. Everett DeMott, 86 Cambridge drive, who underwent x-rays Monday

evening after he was apparently struck by a falling bicycle.

The DeMott youngster was admitted to the hospital for observation Tuesday morning when the x-rays showed a slight skull fracture.

Other accident victims treated Tuesday were Trudy Ann Kimbrell, two, daughter of Mr. and Mrs. Robert Kimbrell, 2116 Elm street, who received a stomach laceration after she swallowed an unknown amount of baby aspirin; and Gene Joyce, 15, son of Mr. and Mrs. Howard Joyce, 2743 Sunset drive, who incurred lacerations to his upper lip and facial scratches with a stick.

Pool Accidents

Three swimming pool mishaps included a laceration to the head of Susan Ramsey, eight, daughter of Mr. and Mrs. Paul Ramsey, 2529 Lincoln avenue, after she hit the side of a swimming pool; Lisa Beedles, nine, daughter of Arthur Beedles, 1743 Poplar street, who hurt her left ankle; and Ervin Porter, 21, 2112 Nameless road, who injured his neck while diving.

Miss Kathy Dunn, 17, daughter of Mr. and Mrs. Eymon Dunn, 3336 Johnson road, cut her right little finger while washing the family car. Mrs. Berdell Goolter, 40, 1625 Courtney blvd., injured her right knee when she fell off her bicycle, as did Janet Campbell, 10, daughter of Ira Campbell, 2820 Pershing avenue; and Darrell Boyd, 42, 1901 State street, suffered a scalp laceration and bruises after he slipped on a toy causing him to fall down four steps.

All those involved in minor mishaps were released following treatment.

Motorbike Damages Auto; Two Flew Scene

Sybil F. Green, 2415 Cleveland avenue, reported to Madison police that two boys on a motor bike ran into the rear of her auto at Madison avenue and Second street Tuesday at 1:30 p.m. They then fled the scene.

She was headed north on Madison when the boys rode out of Second street. As she started to get out of the car after the crash, they sped away. Damage to the right rear of the auto exceeded \$100.

Youths To Finance Convention Trip

The young people of the First Church of God, 2904 Pershing avenue, will sponsor a car wash auto at the Curtis service station, 1817 Madison avenue.

Proceeds will be used by the young people to finance a trip to Louisville, Ky., to attend an international youth convention. Cars will be washed from 8 a.m. throughout the day.

Opera Tickets Available

Three tickets each are available for three bus trips to the St. Louis Muny Opera sponsored by the Granite City park district. The tickets are for "Boys From Syracuse" Tuesday, "Porgy and Bess" Aug. 11 and "Sounds of Music" Aug. 18. They may be obtained at the Wilson Park office.

Young Driver Fined \$60

Ronald G. Mason, 15, Fairmont City, who was arrested at Niederling and Madison avenues Tuesday, was fined \$50 and costs for driving without a valid operator's license, and \$10 and costs on a stop sign violation Wednesday before Magistrate Gasparovic.

DEPARTING COMMANDER, Col. John M. Ansley, Granite City Army Depot, speaking to friends who gathered to wish him bon voyage at a farewell party. Seated at the table, left to right: Mrs. Betty Armstrong, Mrs. Lucille Ansley and Lt. Col. Vernon R. G. Fernandez. Commanding officer here three years, he will leave Aug. 4 to become engineer in charge of expansion construction at the U.S. Air Force Academy, Colorado Springs, Colo.

Status Of Women Topic Of Hearing In Area

The Illinois Legislative Commission on Status of Women will hold the second in a series of public hearings on possible future legislation at 10 a.m. Wednesday, Aug. 5, in the Ninian Edwards room of the Sunset Hill Holiday Inn.

Rep. Esther Superstein of Chicago, chairman of the commission, announced the meeting, which will be open to individuals and organizations interested in problems that affect the status of women.

The session is planned as one of a series of hearings to be held in various parts of the state. The commission was established by the last Illinois General Assembly to study problems of women and to recommend possible legislation.

Dual Purpose
Mrs. Superstein said the commission intends the hearings for

a dual purpose:
1. To learn citizens' views on possible needs for legislation or changes in employment policies affecting women; and
2. To inform residents of the state concerning views of commission members and authorities in the field.

Miss Maude Myers, director of the Illinois Department of Personnel, will address a 12:30 luncheon scheduled in conjunction with the hearing. Her talk will open an informal exchange of views intended to amplify formal testimony presented during the morning.

Topics on which the commission expects to hear discussion also include women's legal rights, labor laws, services to working mothers, volunteer services and public and private employment.

Reservation Procedure
Luncheon arrangements are being made by Dr. Eileen E. Quigley of the department of

home economics at Southern Illinois University, Carbondale, and reservation requests may be addressed to her there.

Commission members include four senators, four representatives and 10 citizens appointed to the governor.

Legislative members of the commission are: Sen. Midge Green, Palestine; Sen. Lillian Schlegelbaum, Quincy; Sen. Robert E. Cherry, Chicago; Sen. William Lyons, Gillespie; Rep. Lillian Piotrowski, Chicago; Rep. Superstein; Rep. John H. Donovan, Chicago; and Rep. George P. Contant, Springfield.

Public members of the commission are: David T. Cox, Mrs. Alfred Wessberg, Miss Ruth Galbraith, Mrs. Adelle Wyatt and Mrs. Harriette Wolf, all of Chicago; Paul Gayer, Zouls; Mrs. Virginia Sams, Pekin; Mrs. Ivan E. Koonce, Mounds; Dr. Frances Whitehead, Lewistown; and Mrs. Salvatore Ferrara, River Forest.

FAMILY PICNIC FOR LEGION BALL TEAM

A picnic was held Sunday in Lee Park for boys on the Legion Dugout baseball team and their families. Highlight of the afternoon was a tug-of-war between the boys and their mothers, with the boys as the winners.

A women's picnic, enjoyed by the members of the team, who included: Alex McGehee, Kent Bosworth, Jimmy and Dorothy Bilbey, Jeff Tolliver, Kenny Rankin, Ronald Brawley, Terry Peach, Jeff Corrie, Lawrence Carson, Danny Scatturo, Russell Pace and Bob Shodoroki.

Others present were Mr. and Mrs. Candice Bilbey; Mr. and Mrs. Frank McGehee, Mr. and Mrs. Duane Rankin and daughters, Denise and Pam; and Mrs. Carolyn Bosworth and daughter, Connie. Clifford Scatturo, Marilyn Carson, Susan Bilbey, Mrs. Mary Donna Scatturo and children, Mary Beth and David, Jimmy Hayden, Mrs. Evelyn Tolliver and children, Mary Ann and Dicie, Miss Janice LaBolt, Mrs. Margaret Shodoroki and children, Rita, John, Bill, James and Mack, Mrs. Ethel Galloway, Mrs. Elmer Corrie and son, Jerry, and Mrs. Keens.

SISTER DEPARTS

Miss Janice LaBolt of Greensburg, Ind., returned to her home on Sunday after spending the weekend with her sister and brother-in-law, Mr. and Mrs. Claude Bilbey Jr., and family, of Lincoln Avenue.

While here, Miss LaBolt attended the wedding of Miss Becky Schaffner on Saturday.

MRS. DUNN HONORED WITH SURPRISE PARTY

Mrs. Addie Dunn was complimented with a surprise birthday party given in her home, 1927 Sixth street, Sunday afternoon and evening, when a group of friends arrived with gifts and a decorated birthday cake.

A social time was enjoyed, with refreshments served to Rev. and Mrs. Joseph Lackey and children, Joni and Jimmy, Mrs. Doris Serini, Mrs. Frances Aldridge and daughter, Connie, Mrs. Gaynell Langford, Mrs. Laura Christian, Mrs. Grace Hamilton and daughter, Pat, Mrs. Louise Roudland, Mrs. Lois Duryea, Mrs. Kathryn Dunn and daughter, Karen, Mrs. Fanny Bain, Mrs. Gertrude and Mrs. Edna Chamberlain and children, Mary Ann and Tom.

FORMER RESIDENT LEAVES FOR WEST COAST HOME

Before leaving for her home on the west coast Sunday, Mrs. Anna Gale and grandson, Michael Baldwin, of Los Angeles, Calif., were honored at a family outing held in Wilson Park.

During a ten-day holiday here, Mrs. Gale, a former resident of Madison, visited numerous friends in the area. The pair were house guests of Mrs. Kayleigh and sister-in-law, Mr. and Mrs. Steve Kayleigh, 1028 Washington avenue. They were also guests of another brother, Frank Kayleigh and family, and a sister, Mrs. John Muich.

Those enjoying the picnic were Mr. and Mrs. Steve Kayleigh and children, Miss Dorothy Kayleigh and George, Mr. and Mrs. Frank Kayleigh Sr. and children, Denise, Larry, Diane and Elaine, Mr. and Mrs. John Muich, Paul Strain, Joe Mand, and Mr. and Mrs. Gerald Muich and children, Danny and Laurie, of St. Louis.

MISS STAVAR HONORED AT PRE-WEDDING PARTY

Miss Barbara Stavar was honored with a bridal shower Sunday afternoon given by friends and relatives at the VFW hall in Granite City, which was appropriately decorated with streamers and wedding bells.

The buffet table was centered with a large cake inscribed "Best Wishes." Arrangements of hearts and lily-of-the-valleys were situated at either end.

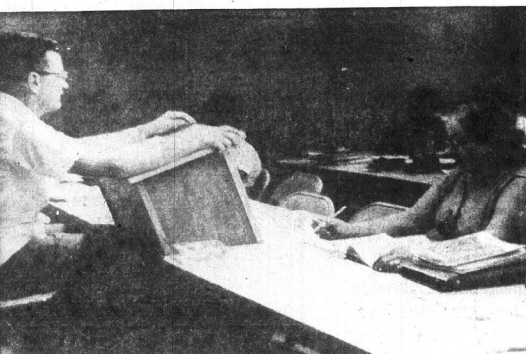

The gift table held a number of packages which Miss Stavar opened with the assistance of Mrs. Marilyn Schaffner, her sister, who is to be her bridesmaid or for her wedding on Aug. 8, when she will become the bride of John Vaidalos.

Those present Sunday were Mrs. Pauline Rhoads, Mrs. Donella Mearns, Mrs. Leo Salmon, Mrs. Elsie Vonnell, Mrs. Grand Hamilton, Mrs. Mary Hlave, Mrs. Marjorie Cross, Mrs. Larue Crawford, Mrs. Barbara Trestor and son, Mrs. Stella Sellers, Mrs. Opal Feltz, Mrs. Karen Sue Cooper, Mrs. Naomi Platen, Mrs. Effie Cleveland, Mrs. Donna Gipson, Mrs. Lorraine Gipson, Mrs. Lolo Trossa, Mrs. Louise Stavar, Mrs. Leona Grobowski.

PRE-WEDDING PARTY HONORS MISS HAMILTON

Miss Diana Hamilton, who will be married Saturday at St. Mary's Catholic church to Paul Ragsdale, was honored Tuesday evening at a personal shower given by her sister, Miss Marilyn Hamilton, and a close friend, Miss Judith Cross.

Refreshments were served to Misses Vandermark, Sandra Caple, Cherry Bell Brown, Mrs. Irene Clute, Mrs. Gladys

VENICE ADULT CLASSES are being held this summer at part of the General Education Development program.

Lewis E. Sabin (left), Venice high school principal, is director of the program, geared to aid adults wishing to ob-

tain the equivalent of a high school diploma. About 125 adults attend the classes, held in the air-conditioned basement of the Venice city garage. The enrollment this year is twice the 1963 number.

Quorum Lacking at Recessed Meeting

A recessed session of the Granite City Council set for Tuesday night failed to materialize when too few aldermen appeared to make a quorum.

Nine council members were needed to conduct a meeting. Only six appeared—Sam Whitmer, Edmund Bartosik, G. H. Sternberg, Paul Rutledge, Donald Parney and Earl Thompson.

The meeting scheduled for Tuesday night was recessed from Monday night's regular session when the 11 p.m. meeting deadline arrived with council members having conducted only part of their business.

There were indications that much council business still remained to be transacted due to lengthy debates Monday night on the sewage treatment plant bond sale proposal and other issues.

Aldebrary, consequently, were geared for a busy session next Monday. Several councilmen who waited Tuesday night for a quorum that never materialized discussed the idea of doing away with the 11 p.m. curfew on council meetings, pointing out there is nothing in city ordinances that requires the council to end its meeting at 11 p.m.

After Grimes, Margaret Bolls, Sharon Falgout, Marion Hadwick, Linda Blumenstock, Cathy Scott, Lena Rae Loech, Doris Schwartz, Jane Lee, Esther White, Jill Hamilton, Janet McBrain, Rose Mary Hancock and Charlene Hamilton, and Mrs. Sharon Sullivan.

Games were played and prizes awarded to each winner. The pre-wedding party was given in the home of Miss Cross, 2127 Fourth street.

REBEKAHS MEET

Mrs. Mary Mortenson presided over the meeting of Deity 788 Rebekah Lodge Tuesday evening at the Odd Fellows hall. It was announced that the next scheduled meeting on Aug. 11 will be "Obligation Night." Lunch will be served after the meeting. Twenty members took part in Tuesday's session.

BARBECUE AND SWIM PARTY HELD TUESDAY

A barbecue was given at the home of Mr. and Mrs. Jay Peeler Tuesday. Among those present were son Ricky, Mr. and Mrs. Harold Ford and daughter, Carol, Mr. and Mrs. Tom King and children, Kathy and Jimmy, Mr. and Mrs. Ted Seagr and children.

Mr. and Mrs. Joseph Kruece joined the party later to swim.

ROYAL AMBASSADORS LEAVE FOR CAMP

Robert Lewis, who serves as Royal Ambassador leader at the Second Baptist Church, and Rev. Kenneth Hart of Bethesda Baptist Church, left Monday with seven RA boys for Pinckneyville, where they will spend several days at the state RA camp. The two men will serve as camp counselors.

Boys making the trip were Donald Smith, Mike Reynolds, Robert Talbert, Robert McCord, Clifford Parrish, Dean Olive and Tommy Lilly.

Virginia Wingo, six-year-old Sunbeams of Second Baptist Church met at the church Tuesday afternoon with their leader, Mrs. Betty Lewis. The group heard a story of work in Hong Kong by Southern Baptist missionaries and each one made drawings of Chinese writings.

Mrs. Lewis gave prayer and distributed announcements of Sunbeam Focus Week, Aug. 9-15. Special plans were made by the group to take part in a slide Monday evening, Aug. 10, at the annual Parents' Night.

Plans were also made for the Sunbeams to take part in the

"Christmas in August" project, when gifts brought by the children will be sent to missionaries at Good Will Centers and kept until Christmas for needy children.

Those present were Debbie Davis, Debbie Freeman, Debbie Carmichael, Vickie Welby, Della McIntyre, Brenda Smith, Kevin Crown and visitors, Larry Smith and Patricia Davis.

Evelyn Owen, seven-year-old Sunbeams met at Second Baptist Church with their leaders, Mrs. Beverly Crown and Miss Bonnie Funnell, Tuesday afternoon. A large drawing of a Chinese village was made by the group and Mrs. Beverly Crown told the story of Miss Jaxie Short, Southern Baptist missionary who works at the Pooi To School for Girls in Hong Kong.

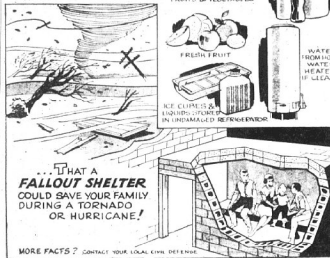

Prayer was given by Miss Funnell and plans were made by the group to take part in "Parent Night", Monday Aug. 10 and Christmas in August project.

Those present were Gail Lewis, Gwen Olive, Dennis Reynolds and Cathy and Bruce Crown.

LAWN PARTY HONORS LARRY AMSBURY

Larry Ambury, son of Roy and Mrs. John H. Ambury, 2108 Deveye avenue, observed his 18th birthday Tuesday evening at a lawn party at the home of Mr. and Mrs. Edward Lane, 2121 Missouri avenue. The evening was spent at games and listening to records.

Larry received many gifts and refreshments were served by Mrs. Lane and Mrs. Gladys Potillo to Larry Hutchison, Larry Wofford, Bourbon Stark, Eugene Waggoner, Roy Jenkins, Karen and Kathy Felker, Sharon Hancock, Frances and Marilyn Jenkins, Judy Ambury and Sandra Potillo.

MIKE PORTELL OBSERVES NINTH BIRTHDAY SUNDAY

Mike Portell observed his ninth birthday Sunday afternoon at the home of his parents Mr. and Mrs. Lionel Portell, 2840 Michigan avenue.

Highlight of the afternoon was a barbecue and watermelon feast. Those present were Mr. and Mrs. Crider and sons, Alan and Joe, Larry Reynolds, Charles Ward, Mr. and Mrs. Verlin Vaughn and sons Ronnie and Artie, and Mrs. Evelyn Smith.

MRS. SCHUBERT HOSTESS FRIENDSHIP CLUB

The Friendship club met Tues-

Heart Attack Fatal To Father of 3 Residents

Noland Freeman, 59, Gideon, Mo., father of three Granite City residents, died at 5 p.m. yesterday of a heart attack in Memorial Hospital, Kennett, Mo. Suffering from a heart ailment for a year, he was stricken at the Malden, Mo., office of the social security commission and rushed to the hospital, where he died minutes later.

A resident of the Gideon area all his life, Mr. Freeman was the father of William and Jerry Freeman and Mrs. Arlie (Cleo) Curman, all of Granite City. Before becoming disabled, he had been employed at a grocery store in Portageville, Mo.

Other survivors are his wife, a son, a daughter, a brother, a sister and 12 grandchildren. Services will be held tomorrow afternoon at a Clarkton, Mo., church. Burial will be at Stanfield Cemetery, Clarkston.

day evening at the home of Mrs. Ann Schubert, 2315 Lincoln avenue. The evening was spent playing games and each guest received an award. The guests presented Mrs. Schubert with a hostess gift. Those present were Mesdames Mable King, Julia Nisler, Anna Mae Salsok, Harry Phelps, Juanita Dugan and Evelyn Smith.

Hire 5 Teachers In GC; Seek Wider, Earlier Recruiting

Five new teachers were appointed and two resignations were accepted at last night's Granite City school board meeting.

New teachers, all 1964 graduates, and their assignments are: Miss Susan Ann Gilmore of Anna, graduate of Murray State (Ky.), first grade; Miss Joyce Ann Linton of Johnston City, Southern Illinois University, English and mathematics at the senior high school; and Raymond L. Penberton of Flora, Milligan College, Neb., fifth grade at Mitchell school.

A teacher with 15 years of experience, Miss Charlotte R. DeBart, Bloomington, Ill., who holds a master degree from the University of Colorado, was employed as girls' counselor at Coolidge Junior High School.

Mrs. Ronald (Barbara) Coleman, Wood River, bachelor degree from Southern Illinois University and six years of teaching, was hired for a fifth grade position not yet designated.

Mrs. Lowell (Joyce) Griffith, a second grade teacher at Emerson school, resigned due to her husband's employment transfer. Donald A. Prior, recently hired to teach at Coolidge Junior High School, has accepted another position at Quincy.

Efforts are being made to recruit teachers from a larger list of universities as a means of increasing the diversity of the staff, the board was told by Supt. Russell D. Johnson, who also said contacts with graduating students will begin in January instead of later in the winter. Granite City faculty members will be asked to report their plans for the coming year by March 1 instead of May 1.

Discourage Late Resignations.
It has been agreed to include in the new Granite City teacher union agreement that payment of unused sick leave, known as earned absences, will be denied to those resigning after July 1 unless there are extenuating circumstances. This is intended to reduce the number of vacancies developing shortly before the start of the fall term, Supt. Johnson explained.

After discussing their pay in an executive session preceding the 11:15 adjournment of last night's meeting, the board set 1964-65 monthly pay at \$738 for School Engineer Marvin Dean (12 months' employment) and \$840 for Mrs. Albert Irvin, cafeteria manager (10 months).

The raises amounted to \$33 for Dean and \$40 for Mrs. Irvin. Each also receives an auto expense allowance. Dean before paid \$50 monthly for 12 months and Mrs. Irvin \$60 monthly for 10 months.

SWIU Gets Land For Road, Dam In Settlement

Southwestern Illinois University will soon begin construction of a utilities reservoir dam and a campus entrance road in the Quad Cities—Edwardsville campus, following an out-of-court settlement concerning four major pieces of property.

The surprise settlement came early Monday afternoon just before a jury of the circuit court was scheduled to be called to set land values for the property involved. The jury was then excused until Wednesday, when other SWIU land acquisition cases were scheduled.

Settlements were announced Monday for one tract owned by Mr. and Mrs. Albert Hutchinson another tract owned by Mr. and Mrs. Robert Smith, and two tracts belonging to the heirs of Julius Shaffer, who are Mrs. Smith, Mrs. Hutchinson, Donald Shaffer and Mrs. Hazel Shaffer. Campus tracts 22, 23, 33 and 34 were involved. Tract 23 will be used for the entrance road from By-Pass 66, while tracts 22 and 34 will contain the reservoir dam.

Appealed To Supreme Court
The Shaffer-Hutchinson case was filed in 1961. It was decided by the circuit court in Edwardsville and appealed to the Illinois Supreme Court, which remanded it to the local court for rehearing.

At the rehearing, a motion to dismiss the case was made by Judge Howard Lee White of Jerseyville. Trial of the case was set for Monday.

The settlement ended over three years of court work. Judge White conferred with attorneys and decided no more than an hour before announcing the agreement.

John Randall, SWIU architect, said the university would issue documents immediately to begin work on the dam. He indicated that work on the entrance road would also begin as soon as possible.

The settlement price of the four pieces of property was not disclosed.

The utilities reservoir will hold cooling water used in the university's air conditioning system. Work on internal roads already has begun in other campus areas where the university has acquired property.

NINTH BIRTHDAY PARTY HONORS CARLA GRISMAN

Carla Ruth Grissman was honored Tuesday afternoon at a children's party given by her mother in observance of her ninth birthday.

The family room of the Grissman home, at 6 Mercer drive, was gaily decorated in a ballerina theme with pink and white used as the predominate colors. The gift table held a ballerina centerpiece which matched the decorated birthday cake.

Games were played and a twist dance contest was held with prizes going to Jack Littlejohn, Sandy Allen, Ona Hamm, Vicki Littlejohn and Daren Cunkle.

Frank Barker, a brother of the honoree, assisted with the games and refreshments. Other present were Stephen Campbell, Jamie Howard and Eddie Littlejohn.

BEHEN FAMILY REUNION

Attending the Behen family reunion Sunday at the Fillmore park, Fillmore, Ill., were four Granite City families. They were Mr. and Mrs. John Barker, Mr. and Mrs. Roy La Rose, Mrs. Shirley Behen and her four

Granite City PRESS-RECORD
Page 22 Thurs., July 30, 1964

children and Mr. and Mrs. Gordon Willis and their five children.

Also attending were five other families and three guests. Special guest was Wilbur Behen, 84, of Fillmore, who was an employee of Granite City Steel Co. for 30 years.

RETURN HOME FROM FLORIDA VACATION

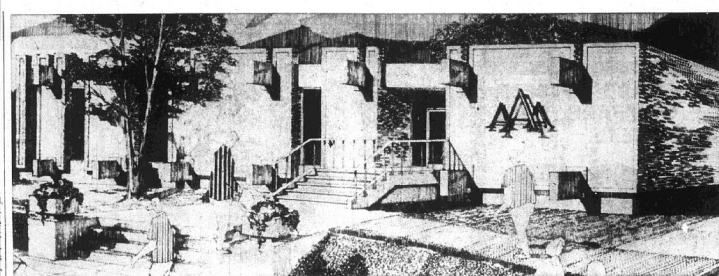

Mr. and Mrs. Paul Harris, 2431 Washington avenue, and Mr. and Mrs. L. J. Whiting, 2433 Washington avenue, returned home Sunday following a two-week vacation in the southern states.

While away, the two couples toured points of interest in several states and spent some time in Coral Gables, Fla., where they were guests of Mr. and Mrs. Al Weiss.

BRIDAL SHOWER HONORS MISS GLENDA EAKER

Miss Glenda Eaker was honored Sunday at a miscellaneous shower given by Mrs. Mildred Grobelski, Mrs. Carol Wirths and Mrs. Louise Maher of the American Legion Home. About 30 guests were present.

The refreshments tables were decorated in traditional bridal white and centered with miniature bride and groom figurines. Games were played and many

NEW AREA HEADQUARTERS in Alton of the American Automobile Club, Illinois Division, will be this modernistic steel and masonry building at the corner of Washington and Brown avenues. Quad-City members who need information or assistance of various types contact the AAA at either the Alton office or the one in St. Louis. The building, designed by William L. Flippo, is due to be completed Nov. 30.

gifts were presented to the honoree. Mrs. Eaker will be married in August to Bill Brockus.

MISSOURI CAMPOUT AND GAME FOR LOCAL BALL TEAM

A baseball team sponsored by Maryland Bi-Rite store motored to Alley Springs, Mo., for a Hooper, Kerry Evans, Mr. and Mrs. Charles Evans, Mr. and

Mrs. Millard Winfield and children, Judy, Brian, Mary Beth and Nancy, Mr. and Mrs. Dan Mosey and Mr. and Mrs. Paul Fraley and children, Lynn and David.

CRADLE SHOWER HONORS MRS. GARY JOHNSTON

A cradle shower honoring Mrs. Gary Johnston and her one-month-old adopted son, Gregory Lynn, was given by Mrs. Judy French at Third Baptist Church Sunday afternoon.

Blaylock, Sharon Aleksandrian, Frank McRaven, Nancy Danner, Ellen Fitzgerald, Gerie Williams, Laura Maples, Dorothy Boran, Juanita Cornack, Vivian Smalich, Peggy Setzer, Roberta Lewis and Carolyn Sykes and Miss Peggy Cornack all of this city, and Miss Janice Ahls and Betty Ahls of Mt. Vernon.

ANNOUNCE BIRTH OF FOURTH CHILD

Mr. and Mrs. David Fraley, of Marquette road, are announcing the birth of their fourth child, a daughter, born Sunday at St. Elizabeth Hospital.

The new arrival, who has been named Peggy Elaine, weighed seven pounds, 13 ounces. She has two sisters, Debbie and Diane, and a brother, Dean.

Grandparents are Mr. and Mrs. Sun Fraley of Granite City and Mr. and Mrs. Huey of Ziegler, Ill.

LOCAL RESIDENTS ATTEND FAMILY REUNION

A family reunion held in Centerville Sunday was attended by several local families, including Mrs. Mercedes Edman, Mrs. Felix Tucker, Mr. and Mrs. Richard Rojas and son, Richie, Mr. and Mrs. Oscar Poole, Mr. and Mrs. Thomas Smith, Mr. and Mrs. Claude Poole and children, Jane and Mary, and Mr. and Mrs. William Short.

Among the guests were Mrs. Lillian McRaven, John

grandson, Blake, of Jennings, Mo., joined the group as they motored to Centerville. Approximately 65 attended. Next year, the family plans to hold a similar affair in Springfield, Ill.

DUPLICATE BRIDGE CLUB DRAWS 18 PLAYERS

Mrs. Charles Blum and Mrs. Harold Caldwell were first place winners Monday, when the Granite City Duplicate Bridge club met at the Rose Bowl.

Other winners were Mrs. James Oster and Mrs. Schmitt, second, and Mrs. Paul Meyer and Mrs. George England, third.

"Master Point Day" will be held by the club at its next session, Aug. 3. Eighteen were present at Monday's meeting.

MRS. JONES ENTERTAINS DOUBLE FIVE CLUB

Mrs. Judy Jones entertained the Double Five card club Tuesday evening in her home at 3401 Maude drive, Cahokia, for a monthly meeting. Games were played and all members present received a prize.

A late dinner was served by the hostess to Mesdames Dolores Wright, Lauretta Wright, Carol Cottrell, LaVerne Hammond, Elaine Parrish, Carmen Grider and Sandy Harper.

In lieu of the August meeting, the club will enjoy a dinner party and attend the St. Louis Opera. Mrs. Zeugin will entertain the club for the next regular meeting, Sept. 1.

MRS. BRINER HOSTESS TO METHODIST CIRCLE

The Every Member Busy Circle of the Nameoki Methodist Church held a monthly meeting Monday evening in the home of Mrs. Lu Ann Briner, 3041 Ash avenue.

Mrs. Dorothy Luckert opened the meeting with prayer and the program was given by Mrs. Irene Pierce. Her topic was entitled "Women In The Church."

A business meeting was conducted by Mrs. Briner in the absence of Miss Morene Groshong. Plans were made for the Circle to present the program at a general meeting of the Women's Society to be held at the church on Aug. 10. Mrs. Mayme West gave the closing prayer.

The hostess served a dessert luncheon to Mesdames Virginia Carroll, Bernice Sawyer, Ruth Seymour, Betty Weston, Ruth Hancock, Mary Jo Hines, Candy Kavulava, Mildred Nance and Vivian Gulka.

The next circle meeting was scheduled for Aug. 25 in the home of Mrs. Dorothy Luckert, with Mrs. West in charge of the program.

Heat Results In Another Electric Power Use Record

Hot and humid weather continued to hang over Illinois and electric usage went up, up, up, reaching a peak in Illinois Power Co. territory on Friday, July 24, when demand reached 1,042,000 kilowatts with usage of 20,190,200 kilowatt hours, according to Carl Mathias, IPC manager.

This was the first time that electric use in IPC territory had gone above the 20 million mark.

The continued hot weather brought steady increases in electric usage during the whole week. On Tuesday, July 21, a use peak of 13,987,650 kilowatt hours was reached. The figures were slightly less on Wednesday, but on Thursday, July 23, there was a demand record of 1,010,670 kilowatts and a use record of 19,618,600 kilowatt hours. These records were broken on Friday.

Weekend electric use went down when industry and commercial establishments were closed.

Last summer's peak was on July 19, when demand reached use during the 24-hour period was 17,016,000 kilowatt hours.

Hot days with temperatures in the mid and high 90s, high humidity and the lack of cool night air brought about the use of air conditioning equipment and fans on a 24-hour basis. Mathias said that because of this, customers must expect higher electric bills for the hot-weather period.

Sales of air conditioning equipment, fans and refrigerators have been high, with some stores reporting they are hard put to supply the demand for the equipment and its installation.

The hot weather also has caused numerous shrinking picture complaints from TV owners, according to City servicemen. Often this is due to improper house wiring with a lack of electric power when too many appliances are running at the same time, Mathias commented.

Range Returns To Abbey

Jack Range of Granite City returns Friday to the Benedictine Abbey at St. Meinrad, Ind., where he will continue his studies as a Benedictine monk toward the priesthood. He had spent the last few months visiting his mother, Mrs. Grace Range, who recently moved to 2344 Lynch avenue, and friends and has served in the x-ray department at St. Elizabeth Hospital.

WHATEVER IT IS, members of the old Granite City fire department seem proud of it. About all that is known about the scene is that the fire truck belongs to the city. What it is doing attached to the car ahead remains a mystery. Harry Fichte, 2601 Cleveland Blvd., who printed the scene

from a glass negative, is curious to learn the identity of the men and the location. The white strip on the left building, which houses a notary public office, appears to read "Washington—Wednesday."

FAMILY ENJOYS MOTOR TRIP

Mr. and Mrs. Arnold Rutherford and daughters, Miss Darline Rutherford, Mrs. Susie Woodward and Mrs. Judy Adams and children, Joey and Julie, returned home Sunday following a week's vacation.

While away, they visited friends at Reelfoot Lake, Tenn., and at Dyersburg, Tenn., with Rutherford's brother and sister-in-law. They also toured the home of Andrew Jackson, the Smoky Mountains, Gatlinburg, the Cherokee Indian village at Cherokee, N. C., and Knoxville, Tenn.

Enroute home, they spent some time in Rosati, Mo., where they were guests of Rutherford's

Granite City PRESS-RECORD Page 24 Thurs., July 30, 1964

parents, Mr. and Mrs. J. B. Rutherford.

VISITS PARENTS
Mr. and Mrs. Edie Kennedy and Otis Edmunds returned Monday after visiting Kennedy's parents, Mr. and Mrs. M. C. Kennedy, and his sister and brother-in-law, Mr. and Mrs. Richard Seabrook, of Murray, Ky.

WEEKEND GUESTS
Mr. and Mrs. Daniel Morgan of Flint, Mich., left Monday after spending the weekend with Mr. and Mrs. Jerry Mott, Mr. and Mrs. Lloyd Miller and family and Mr. and Mrs. Ed Harvey.

Mr. and Mrs. Charles Kennedy and children, Charlene and Edward, visited with Mr. and Mrs. Virgil Phillips at their clubhouse at Gratton, Sunday.

Mr. and Mrs. James Holdshire had as guests Tuesday evening

BARBECUE PARTY OBSERVES 22ND WEDDING ANNIVERSARY

Mr. and Mrs. Hershel Cass observed their 22nd wedding anniversary with a barbecue party in their home, 3240 Ridger avenue, Sunday afternoon.

Outdoor recreation was enjoyed by their guests, who also heard a selection of songs by Miss Kathy Talley, Miss Marilyn Thomas and Miss Elinor Genovese.

Other guests present included her daughter and son-in-law, Mr. and Mrs. Don Waters and children, David, Donna, Tommy, Sherry, Bobby, Michael and

Lauree of Alton.

Mrs. Cecilia Schulte of St. Louis, the bride's mother, and Mr. and Mrs. Al Campbell, Mr. and Mrs. Oliver Talley and daughter, Kathy, Mr. and Mrs. Jim Sherman and children, Judy, Jackie and Joyann, Mr. and Mrs. Don Tamburville and daughter, Donna, of Collinsville, and the bride's son and daughter, Miss Alvin Cassy and Terry Cassy.

**ANNOUNCE ARRIVAL
OF FIRST CHILD**
Mr. and Mrs. Gerald Singleton, 2812 Edgewood avenue, are announcing the birth of a five pound ten ounce baby boy July 23 at St. Elizabeth Hospital.

They have selected the name of Gerald Lee Jr. for the infant, their first child.

He who is taught to live upon little owes more to his father's wisdom than he who has a great deal left him owes to his father's care.

Zip Code Will Speed Parcel Post Deliveries

Adaptation of zip code numbers to parcel post mailing is to be extended soon to a total of 26 major postal centers under a plan designed to speed up delivery and reduce the chance of damage to packages, according to information received by postmasters of the Quad-City area from the Postmaster General's office at Washington.

Implementation of parcel post to zip code numbering already has started in the post offices of six major cities—Philadelphia, Washington D.C., Detroit, Chicago, Minneapolis and Houston—and other cities in the West Coast area, including Seattle, Portland, Oakland and Sacramento. Postmaster General John A. Gronouski has told Postmasters W. T. Overbeck of Granite City, Harry R. Johnson of Madison and Charles Simmons of Venice.

Gronouski said use of the zip code in parcel post mailing is expected to bring about a "virtual revolution in the handling of parcels, in speedier delivery schedules and reduction of breakage and error."

Success of the program, he said, hinges on public use of zip code numbers in addressing packages, as well as the cooperation of firms that mail parcel post in large volume.

In explaining operation of the program, the Postmaster General said that zip-coded parcel post bypasses larger cities where there is a heavy mail volume in the post offices and is routed directly to the sectional center nearest its destination. Delivery there is speeded up as much as 24 hours, particularly for packages that travel 300 miles or more. Since fewer handlings are involved, the possibility of damage is reduced.

County Roof Repair Bids

Sealed bids are being sought until 10 a.m. Aug. 10 at the county auditor's office on roof repairs at the Madison county nursing home. Prospective bidders must meet with the nursing home committee Aug. 3 to inspect the areas to be repaired.

STORM WINDOWS AND DOORS—GRANITE CITY GLASS CO., TR 7-3400

County Clerk Sets November Ballot Position

Democratic candidates for national, state and county offices will appear on the preferred left side of the Nov. 3 general election ballot, Miss Latalia Holt, county clerk, announced this week.

The announcement followed a ruling by Illinois Attorney General William G. Clark that county clerks will be allowed to decide the position on the at-large ballot for the state House of Representatives.

County clerks are permitted by the secretary of state to determine the ballot position of party slates, Miss Holt said. The question concerning the representatives ballot was raised because of the special problems involved in handling the ballot which will contain at least 236 names. Clark's ruling was that normal procedures will continue.

"As long as I am county clerk the Democratic ticket will be there in the first column," Miss Holt said. She said the ruling meant political parties would occupy the same positions on both the regular ballot and on the special representatives ballot thus avoiding confusion.

Busy Election Day

The Nov. 3 election will involve national, state and county candidates, the representative candidates, constitutional amendments and local issues, including a county tax referendum.

The ballot for the House of Representatives will be an oversized three-column ballot containing both major political parties and an independent third slate of candidates. The color of ballots other than the constitutional amendments will be determined by the county clerks.

Miss Holt yesterday attended a meeting in Springfield of the Illinois Election Laws Committee and the state County Clerk's Association. The meeting was called to discuss means of expediting the counting of votes in the election and of preparing a new tally sheet for the processing of results.

New Tally Sheets

A new tally sheet for clerks is needed, Miss Holt said, because of the representatives ballot. A voter will be able to vote a straight ticket for one party and

Rehearing On Mobile Home Zoning Request

The County Zoning Board of Appeals will hold a public hearing at 3 p.m. Wednesday, Aug. 12, in the county courthouse dealing with a 100 x 434-foot tract on the east side of Route 203 (old Route Three) north of the Granite City Speedway; it was announced today.

Nellie Taylor, owner, and Thomas Smoot, purchaser, have sought a rehearing to present additional evidence on a request to place a mobile home on the site, which is located in Chouteau township.

Still not reach the 177-candidate maximum. She predicted considerable crossing of party lines, making former tally sheets inadequate.

Another meeting of the election group will be held Aug. 19 in the office of Secretary of State William H. Chamberlain for presentation of a tentative specimen copy of the general election ballot.

Proposed Amendments

Proposed constitutional amendments concern increasing the number and frequency of state General Assembly sessions and providing for the continuity of government in case of emergency.

The former amendment would provide that the General Assembly would meet every year instead of every second year as at present.

The session in the odd-numbered years would be able, at present, to take up any legislative matter. The session in the even-numbered years would consider only appropriation and revenue bills and matters necessary to the operation of the session itself.

The governmental continuity proposal would provide the General Assembly with power to fill vacancies in state offices due to such emergencies as enemy attack. The assembly would also be enabled to adopt such other measures as are necessary for insuring the continuity of governmental operations.

The amendment requires the assembly to conform in its measures to the state constitution except when impractical or when undue delay would result.

Six Area Nursing Students To Graduate

Six Quad-City girls will be graduated from the Jewish Hospital Nursing School at 3 p.m. Sunday at the United Hebrew Temple on South Skinner blvd., St. Louis.

They are Mrs. Elizabeth Ellen Schaffner Lipchik, daughter of Mr. and Mrs. George C. Schaffner, 609 Washington avenue, Venier; Miss Judith Chastain, daughter of Mr. and Mrs. Edward Chastain, 2512 Center street; Miss Judy Mundy, daughter of Mr. and Mrs. Walter Mundy, 3104 Colgate place.

Miss Helen Mitchell, daughter of Mr. and Mrs. Thomas Mitchell, 1512 Johnson road; Mrs. Sheron Pittman Gray, 122 Grandville street, Venice, daughter of Mr. and Mrs. William Pittman of East Alton; and Miss Jeanette Dollins, daughter of Mr. and Mrs. Everett Dollins, 1537 Fifth street, Madison.

Mrs. Schaffner, a bride of Saturday, attended the school on a scholarship from the Venier Junior Service club and the hospital. She is a graduate of Venier high school.

Miss Chastain is a 1961 graduate of Granite City high school and was sponsored by Women of the Moose Chapter 247 on a three-year scholarship.

Miss Mitchell is a 1961 Granite City high school graduate and also attended the school on a hospital scholarship. Mrs. Gray is a graduate of Wood River township high school.

Miss Mundy is a 1959 graduate of Granite City high school. Miss Dollins attended the school on a full scholarship from the hospital's Women's Auxiliary.

Girls' Charm Course Still Open At YMCA

Area junior and senior high school girls may still register for the charm course for teenagers held from 1 to 3:30 p.m. Mondays and Wednesdays. Mrs. Bonnie Fuller, director, has announced.

The special course for girls stresses basic good grooming, and the lessons are aimed at developing poise in the teenager. Professional assistance in the program has been volunteered by the following residents:

Mrs. Lee Pfaff, YMCA program director, who will give dietary advice and correct exercises; Mrs. Ruth Elmore and Mrs. V. Fields, complexion care (each girl will receive a free facial); Miss Priscilla Fields, hair styling; Mrs. "Mild" Humphreys and Maurice Rich, correct selection of clothes; Mrs. Phyllis Crews and Mrs. Loretta Ridge, modeling tips; and Mrs. Don Jackson, simple mending and alterations of clothes.

One session will be an open one on manners and morals. The last session will be a summary and a "cock party," with dancing and games for the girls and their guests in the Teen Town lobby.

Mrs. Fuller and Brian Bronsman, Teen Town director, will provide the summary. The cost of the course is \$5 for members and \$10 for non-members. Individual sessions may be attended for \$2. Further information may be obtained by contacting Mrs. Fuller at the "Y".

CATHOLIC YOUTH COUNCIL committee at St. Mary's parish, Madison, planning a ge-accoutained event for single Catholic youths out of high school in the Quad-Cities to be held at 8 p.m. today in St. Mary's school hall. They are, left to right, Frances Steinman, Mary Lou Melhite, Delores Soboleski and Jeanette Kern.

34 GC Scouts, Leaders Are At Camp Sunnen

Thirty-four Boy Scouts and three leaders from Granite City are attending the fifth one-week camping period of Boy Scout Camp Sunnen, Potomac, Mo., this day.

Attending from Troop 99, sponsored by the Central Christian Church, are Gary Rudenhausen, Dennis Randall, Ronnie Wilson, Joy Berkeholder, Cliff Baker, Mike Bettorf, Marty Acree, Ronnie Rudenhausen, Mark Rieley, Duane Parish and Herb Culp.

Their leader is David Parrish. From Troop Eight, sponsored by the First United Presbyterian Church, are John Rybicki, Richard Filcock, Stephen Lewis, Austin Lewis, David Osborn, Ralph Roas, Dennis Young, Russell Gertsch, Richard Asplund, Clifford Edgington, Dennis Acree, David Steele, Donald Durbin, James Evans, Bruce Evans, Bruce Van, Curtis Walker, Richard Gatenfelter, Gary Webb, Daniel Schneider, Mickey Weiss.

Area 4-H Clubs Observe 50th Year Of Program

Area 4-H clubs are observing the 50th anniversary of the 4-H program this year, and club programs currently are filled with activity.

Some clubs are participating in the Madison county fair this week in Highland and are preparing for the state fair next month at Springfield. County extension projects are being planned.

There are 10 clubs in the Quad-Cities which have more 4-H clubs, more leaders, more members and more honors than any other city in the county.

The first home economics club it is no longer just a rural farm program. In recent years, more than half of the membership comes from non-farm homes.

The broader 4-H program is appealing to suburban youth of varying economic circumstances through the modernization of projects, according to the extension service, and today's projects better fit the needs and interests of boys and girls regardless of their home and local situation.

Such new programs include photography, automotive care and safety, climatology and child care.

Other clubs are the Sand Prairie club, more than 30 years old and led by Mrs. Ivan Hawks, and the Quad-Cities Sunrise club, led by Melbourne Roger of East Alton.

The other clubs are the Merry Mitchellettes, the Tri-City Astros.

Record Enrollment Developed In 'Y's Arts, Crafts Class

The arts and crafts class, part of the summer youth program at the Granite City YMCA, continues to have a record attendance, according to Mrs. Bonnie Fuller, director.

The class, limited in number for the first six weeks, has been changed so that any youngster interested in learning more about art has an opportunity to do so.

The class will be divided into two separate age groups. Those under 10 will work on projects of simple construction and a small doll. Early requests are for pastels and watercolors and will do some free form sculpture.

The class meets at 10 a.m. Tuesdays and Thursdays. Dave Williams and Mike Fuller assist Mrs. Fuller in the program.

Youngsters enrolled are Billie Miller, Darryl Miller, Robert Miller, David Freeman, Bill Keen, Gary Jones, Dana Vasiloff, Bob Vasiloff, Suzanne Brannell, Gary North, Keith Ritter, Bruce Freeman, Jan Freeman, Dan Alton, Nelson Hediger, Todd Warren, Connie Cox.

Robin Tograve, Nina Tograve, Ida House, Pauline House, John House, Sammy Hayes, Karen Krause and Dave Carmody.

The assistant director and four staff members of Southwestern Illinois University's center for the study of crime, delinquency and corrections are stationed on the Quad-City-Edwardsville campus.

The group is singing in eight choruses on its annual summer tour. The concert about 45 minutes long, will feature a wide variety of sacred music. The teenagers are staying in the homes of members of sponsoring churches where they are singing. They are traveling by charter bus.

Oliver Parents Program Mrs. Dean Lambick of 754 S. Wardsville, formerly of Granite City, attended a special orientation program for parents at Olivet Nazarene College, Kenilworth, where her son, Gary, registered for the fall semester.

Southern Baptists Seek Missionary Volunteers

The Southern Baptist foreign mission board expects to have 50 single college graduates in strategic missionary tasks overseas by Sept. 1, 1965, according to Rev. Louis R. Cobbs, director of its new short-term program.

Named the Missionary Journeyman Program, its program is designed for college graduates who do not feel called to a missionary career but who have dedicated talents and vocations to Christ and are willing to serve overseas for two years.

They will receive 10 weeks of intensive training, travel expenses, housing and meals and a small salary. Early requests are for youth workers, a laboratory technician, an office secretary, a draftsman, a college teacher, a pharmacist, a youth and music worker and a librarian. More information may be received from the Volunteer Division, Foreign Mission Board, Richmond, Va.

TRI-CITY 1938 State GL 2-6169

City To Test Who Pays For Water Lines In Street Work

Granite City aldermen, East St. Louis & Interurban Water Co. in reference to payment of cost for relocating utility lines on a street repair job, voted Monday night to instruct the company that it will be responsible for relocation costs in all street repair work.

The motion on which the vote was made also fixed a one-week deadline for relocation of an eight-inch main and the changing of a fire hydrant in the Woodlawn avenue repair job.

Alderman Ford Johnson of the Eighth Ward, who made the motion instructing the city attorney to write the company in regard to relocation costs, said delay in completing the work on the Woodlawn avenue job is tying up traffic in some sections that are now barricaded, particularly at Vine street and Franklin avenue. The Woodlawn avenue repair work is between Washburn and Maryville roads.

Debate on the issue started after the reading of a communication from the water company in which R. C. Allender, assistant manager of the company, informed the city that the water company had received no orders or indication of responsibility for cost on relocation of certain lines on the Woodlawn improvement job.

The letter said cost of relocating lines in the project would be about \$500.

Referral Opposed

Alderman G. H. Stenberg, Seventh Ward, moved that the communication be referred to the street and alley committee, of which he is chairman. But the proposal met stiff opposition from aldermen who said they did not believe improvement work should be held up while a committee studied the matter because, in their opinion, the utility was responsible for relocation costs.

Johnson remarked that "it's about time the water company tried to get along with us. We've been trying to get along with them, but it doesn't seem to have done much good." Stenberg replied, "We'd better study this thing carefully. The water company is taking the bit in its teeth and telling us plainly that it is not going to pay for relocating utility lines on repair jobs."

"Then," answered Johnson, "it's time we take the bit in our teeth and tell them, and tell them that they are to pay for the work and that we can't hold up projects to discuss each one."

Stenberg called for a vote on his motion to refer the matter to the street and alley committee. It was defeated, 7-2, with two members of the council—Aldermen Stenberg and Norn—absent. Opposing referral were Aldermen Basarich, Mrs. Botinec, Johnson, Bergfield, Boyd, Dallas and Thompson.

AUXILIARY OFFICERS of Tri-City Post 113 of the American Legion. They are, left to right, first row, Mrs. Dorothy McCain, first vice-president; Mrs. Esther Harris, second vice-president; Mrs. Elie McKinley, secretary; Mrs. Violet Kossabum, president; Mrs. Helen Qualls, treasurer; Mrs. Dorothy Best, chaplain; and Mrs. Lovetta Goeller, sergeant-at-arms. Second row, Mrs. Ruby Menendez, installing officer; Mrs. Amanda Markezich, installing chaplain; Mrs. Evelyn McColligan, past president; Mrs. Julia Markezich, installing sergeant-at-arms; Mrs. Ada Dishing, historian; and Mrs. Edna Branscomb, pianist.

To Write Company

Eighth Ward Alderman Earl Thompson then moved that the city attorney be instructed to write the water company telling it to relocate the eight-inch main on the Woodlawn job immediately, and to fix a one-week deadline for the work. The water company is to pay the cost, the motion provided.

Thompson pointed out that "the work only involves an offset to go around a sewer line... it shouldn't take too long." Thompson's motion carried 12-1, with Stenberg casting the only negative vote.

In response to another communication involving the water company, the council instructed the city inspector to see that water sampling as ordered by the Illinois Sanitary Water Board is carried out by the East St. Louis & Interurban Water Co.

This action was taken on the basis of a communication from C. W. Klassen, chief of state sanitary engineer, in which he informed the council that a survey has shown the basic facilities of the water company for serving the Quad-City area "are generally satisfactory" but that some recommendations have been made.

These include installing a 24-

Robber Is Sentenced To 3-6 Years In Prison

Robert LeCompte, 20, East St. Louis, who admitted a \$354 armed robbery July 11 at the A & J market, 4068 Pontoon road, was sentenced to a term of three-to-six years in the state penitentiary at Menard Tuesday morning by Chief Circuit Judge Harold R. Clark at Edwardsville.

He pleaded guilty to the charge of armed robbery after waiving grand jury action. He was represented by John Morrey, public defender. Joseph Darylak, chief assistant state's attorney, was the prosecutor.

LeCompte, formerly of the Pontoon Beach area, was arrested at the filter, plant and submitting six bottles of sample water each month. The samples are to include two each from Granite City, Madison and Venice. One of these from each city is to contain water before it is processed, and the other is to contain water after it is processed.

The communication was referred to the city inspector with instructions to check regularly to see that the sampling is carried out as ordered.

No Stand By Eagle Park Group On Tax Election

Cleveland Johnson, president of the Eagle Park Improvement Association, said today the association will not take a stand on the Venice school district tax increase election, Saturday, Aug. 8.

He said the association indicated at a recent meeting that it will not participate as a group in joint meetings with the Venice school board.

During a regular meeting of the Venice board of education this month, Johnson was asked by Board President Michael Leatherman Jr. to form a committee of Eagle Park residents to discuss current problems of the district. Johnson today emphasized that if such a committee is formed, its members will serve as private citizens and not as representatives of the association.

Johnson, who also serves as Democratic committeeman for Venice Precinct 12, commented that designation of a single polling place for the Aug. 8 election could prohibit a large number of his precinct from voting.

He said many lack cars or other transportation to travel to the polling place, located at the Venice grade school gymnasium on Broadway.

New County Museum Decorated, Historical Exhibits To Be Displayed This Fall

WEIR HOUSE (above), new home of the county historical museum, will contain eight exhibition rooms, basement public restrooms and an attic storage area. The building was purchased by the historical society in June and has been extensively remodeled. Photo at left affords a view of the home through the front entrance. Wallpaper pattern is taken from an early nineteenth century design.

MUSEUM EXHIBITS to be on display at the new Madison County Historical Society museum in the Weir House, 715 North Main street, Edwardsville. Above is part of the collection of dresses worn by Madison county women during the middle and latter part of the nineteenth century. In the photo at lower right, Mrs. A. Austin Lewis (left), chairman of public relations for the county historical society, and Mrs. Louis Ahrens, assistant superintendent of the museum, sort items contained in the attic storage area of the home; Mrs. Lewis is holding a Seth Thomas chime and alarm clock from the Charles Willys Terry collection. A model of old Fort Russell in the War of 1812 is shown at lower left. The model was designed and constructed by a group of seventh and eighth grade students.

Automation Of Library At SIU Set For Autumn
As the climax to a professional career of nearly 40 years, Elizabeth O. Stone, retiring associate director of libraries at Southern Illinois University, Carbondale, has ushered in the era of automation to speed the process of collegiate study.

During the past two years she has directed the development of an automated circulation desk, working with the university data processing center. This summer she has been supervising the pilot run of the new electronic system, preparing it to become fully operative at the opening of the fall quarter in September.

Mitchell Kiwanis Will Fete Baseball Winners

The Mitchell Kiwanis club will honor the leading teams in each division of the Mitchell boys' baseball league at the club's annual picnic in September, it was

announced Monday night. At the club's regular weekly meeting, President Gene Durrett said that plans have been made to honor winners of division titles in the league, which is co-sponsored by the club. The league season ended last week.

Rambler American 440-H Hardtop, 138 h.p., Bucket Seats, Console Standard

PRICE LOW! SPIRITS HIGH! EVERYTHING GO!

Take a good look at this fun-loving hardtop. You'll see why the all-new Rambler American is setting all-time sales records with sales up 46% over last year.

So glamor-packed, it may appear expensive—but wait! Your savings start with the lowest-priced sedans, hardtops, convertibles and wagons built in the U.S. Save still more with record gas mileage. (American 440 with 125 h.p. won best mileage in both U.S. economy runs this year.) These savings leave you a lot of extra money to indulge yourself in the American's great big bundle of swinging options.

Like two sizes of rakish bucket seats that recline—and you can have them in luxurious sable-grain vinyl.

"Five-on-the-floor" Twin-Stick go-packaged in a stylish console.

Sporty headrests, wire wheel covers and lots more fun-options let you tailor your American to your taste.

So get more fun out of life. See your Rambler dealer today. Talk American. Find out how much car you've been missing all these years.

Amend Call For Bids

A call for bids on a new police pursuit car for the Madison county sheriff was amended this week to specify a 1965 Chevrolet instead of a 1964 model. Bids will be opened at 10 a.m. Sept. 1 instead of on July 31.

Picnic Rescheduled

The staff picnic for workers in the Granite City park district's playground and recreation program has been rescheduled for 11 a.m. tomorrow at Wilson Park, the director, Mrs. Helen Bjorkman, announced. The gathering was originally scheduled for yesterday.

Marine Detachment Wins State Honors

A traveling trophy and a permanent citation were awarded the Quad-City Detachment, Marine Corps League, at the state convention in Waukegan, Ill. The group's regular bi-monthly meeting Monday night at the VFW hall, showed the highest increase in membership throughout Illinois. The Quad-City Detachment membership rose 300% in the past year and the group now has 16 members.

Shane Fox, adjutant, announced that men interested in joining may contact him at GL 2-7185. Eligible are ex-Marines who have served at least 90 days of active duty and have an honorable discharge. The detachment meets on the second and fourth Mondays of each month.

Granco Appoints Best As New Sales Engineer

Dwayne F. Best has been appointed a sales engineer for the Kansas City office of the Granco Steel Products Co., P. Alan Tiarks, Granco general manager, said today. Best, a 1961 graduate of the Engineering School of the University of Missouri, was previously employed as a facilities engineer by the Bendis Corp. in Kansas City.

Granco markets a broad line of steel building products used in construction of floors, roofs, highways and industrial buildings. The company is a subsidiary of Granite City Steel Co.

JUST COMPLETING a sharp turn around 50-gallon drum in the barrel race, horse starts charge for the finish line. Holding saddle horn, as Mary Ann Mueller does here, is allowed in the event.

Exciting Barrel Race at Rotary Horse Show

The exciting barrel race will be featured at the Granite City Rotary club's fifth annual western horse show scheduled Sunday afternoon, Aug. 30, at the Tri-City Speedway.

Unlike most of the other classes, prizes in this competition will be cash instead of trophies. The first through fourth finishers will receive \$20, \$10, \$5 and \$3. There will be races for both men and women.

The horse and rider race against time over a course with three 50-gallon drums—usually paddled for protection—set on their sides. The barrels are placed in a triangular pattern,

with the distance determined by the show committee.

The race is an exciting test of horsemanship due to the quick turns and short sprints.

To begin, the rider takes a position at the starting line—facing into the "bottom" of the triangle and races to the first barrel, circling it left to right. Then he rides across to the second barrel, usually about 100 feet away, and circles it right to left. He then goes to the third barrel, usually about 60 feet away at the "top" of the triangle, and circles right to left.

Falls, Cuts, Burns Are Treated At Hospital

Two young girls were admitted for observations in St. Elizabeth Hospital early Monday evening after suffering possible head injuries in separate accidental falls.

Linda Kay Macos, six, daughter of Mr. and Mrs. Ted Macos, 2826 Dogwood drive, fell off her bicycle, striking her head on concrete, while four-year-old Mary Ellen Hutchings, daughter of Mr. and Mrs. Richard Hutchings, 2522 Cleveland blvd., also fell backward, hitting the side of her head while walking. Both youngsters appeared drowsy when examined at the emergency room.

In other mishaps treated Monday, Bob Norton, 15, son of Mr. and Mrs. Ernest Norton, 104 Warsaw lane, Mitchell, cut his foot while swimming, and Claude Sperry, 29, Rural Route Four, Edwardsville, struck his right ear when diving into a swimming pool.

Ivan Hellock, 54, Rural Route One, caught his left middle finger in an electric fan and received several sutures to close the wound. Samuel Greco, 16, son of Mrs. Frances Greco, 2012 Collinsville avenue, Madison, suffered a one-inch laceration on the left elbow, caused by a knife and David Kamm, 40, of 2109 East 23rd street was treated for blisters and redness of the right hand incurred when

Pfc. Hays Completes Army Welding Course

Pfc. David P. Hays, 19, son of Mr. and Mrs. Roy E. Hays, 1928 Sken street, Madison, completed an 11-week welding course at the Army Ordnance Center and School, Aberdeen Proving Ground, Md., July 24. It was announced today. He was trained in oxyacetylene, arc and metal inert gas welding.

Hays entered the Army in November 1962 and received basic training at Fort Leonard Wood, Mo. He was last stationed at Fort Dix, N.J. A 1962 graduate of Madison high school, he was employed by General Steel Industries here before entering the Army.

Two Men Plead Guilty

Thomas Viessman, 44, and Jack Thornton, 40, both of 2326 Namoki road, pleaded guilty to charges of creating a disturbance Monday and were fined \$10 and costs by Magistrate Gasparovic. They pleaded innocent to intoxication charges and were released pending a further hearing. The boys were arrested at 1:15 p.m. Sunday at Lincoln avenue and Namoki road.

A butane gas stove exploded. All were released following treatment.

Commission Schedules Meeting On Saturday

The Granite City Commission for Prevention of Obscene Literature is scheduled to meet Saturday at 10 a.m. in St. Elizabeth Church. Speaker will be Mrs. Syd Thiele of Effingham, Ill.

The group is expected to consider further plans for affiliating with a national organization whose principles are dedicated to abolition of pornographic literature.

The commission is made up of a committee appointed by Mayor Leonard Davis which includes Mrs. Gabrielle Betine, Seventh Ward Alderwoman; Rev. Lawrence J. Martingale and Rev. Sherman Wilson, and a group of six citizen members: Dr. Raymond Troyer, Charles Barth, Mrs. Roy Baumbarger, Mrs. Edgar Neumann, Robert Karandjeff and Brian Bronsman.

Rev. Maxton At Summer Ministers' Conference

Rev. Dr. David B. Maxton, pastor of the First United Presbyterian Church, is attending the 34th annual Summer Conference for Ministers at the McCormick Theological Seminary, Chicago, Monday through tomorrow.

For more than 30 years, the conference has become a part of the seminary's total program of theological education. The conference brings together outstanding preachers, national ministers and members of the faculty for a program of scholarly lectures, addresses, workshops and seminars.

Primary attention is being devoted to the needs in study preaching, administration and parish work.

Asks Permission To Paint Curb Numbers

Harold R. Immung, Aviston, Ill., asked the Granite City council Monday night to grant him permission to paint address numbers on street curbs in Granite City. Immung, an SIU student, said he hoped to work at the project the rest of this summer and complete the work next year.

According to his letter, there would be no charge for painting the curbing numbers, except through voluntary contributions. The request was referred to the police committee.

Park At River Attracting Modern Day Explorers Where Lewis, Clark Once Camped

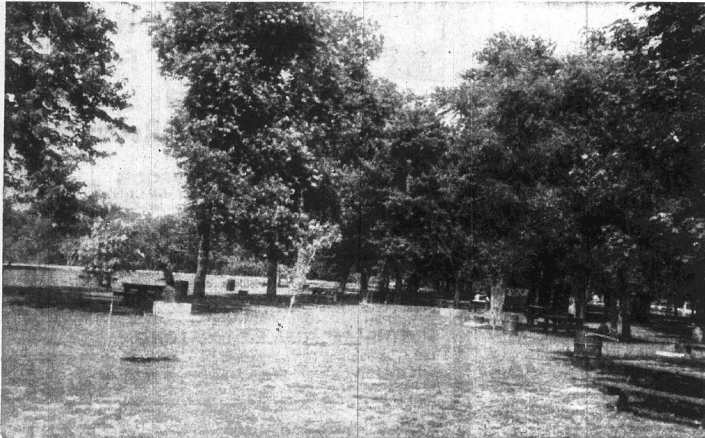

IDEAL CAMPING SITE selected by a family at the Lewis and Clark state park, previously an infested swamp area before being developed. John Winkler, park custodian, resides in Granite City. State officials have become enthusiastic about the area and may purchase adjacent land to expand the park.

MISSISSIPPI RIVER BANK at the Lewis and Clark Memorial state park, just below the mouth of the Missouri River, was a good fishing spot for these two anglers, who produced a sizable string of fish to prove their luck.

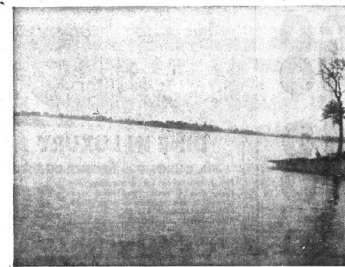

MEMORIAL PLAQUE AND STONE dedicated to the Lewis & Clark expedition in 1803 is inspected by a traveler from Ohio and his two children as they paused along their journey to visit the scenic and historic state park at the mouth of the Hartford canal. The park was marked on their road map.

PICNIC FACILITIES are available at the newly-developed Lewis and Clark Memorial state park at the mouth of the Hartford canal, 10 miles from Granite City, where Copi.

Meriwether Lewis and William Clark trained their band of explorers before heading up the Missouri river on an expedition to the Pacific Ocean.

RIVER JUNCTION where the Missouri (left) flows into the Mississippi across from the Lewis and Clark state park. At lower right is the mouth of the Hartford canal, from where the two famed explorers embarked up the Missouri to the Pacific ocean. A public boat ramp is being planned at the mouth of the canal.

Three Charges Filed
Johnnie Earl Cox, 31, Mt. Clare, Ill., was arrested at 11:30 p.m. Tuesday at Niedringhaus and Madison avenues on charges of driving without a license, passing a red traffic signal and using profane language.

When men abandon the upbringing of their children to their wives, a loss is suffered by everyone, but perhaps most of all by themselves.

—Ashley Montagu

City Bills Total \$43,000; Refund \$184 Roof Fees

The Granite City council approved \$43,000 in claims during a busy council session Monday night, but not until two of the larger items had been separated from the claim list to be given individual discussion later in the meeting.

Before the meeting ended, both of the separated claims were approved for payment.

One of these was for the David J. Johnston & Associates engineering firm of East St. Louis, which has handled a number of street repair jobs for the city. The claim was taken off the regular list on a motion by G. H. Sternberg, seventh ward alderman, who said he wanted an explanation of the work done for the \$254 listed.

The other was a claim in the amount of \$8,091 for the O. B. Avery Co. for overhaul of a street sweeper. It was separated from the claim list at the request of Mrs. Gabrielle Betine, seventh ward alderwoman, who also said she wanted to know what the bill was for.

Discussion revealed the Johnston claim was for work on right-of-way parts under contract for the 1961 year. Sternberg contended the claim should be paid if it was under contract and withdrew a motion to hold up the payment.

Vote To Pay Claims
Sternberg explained that the O. B. Avery bill had been reduced \$1000 from a previous figure of \$9,091, "which is what we have been after right along."

We've turned that bill back for reduction a number of times and we finally got what we asked for."

Mrs. Betine criticized the council committee for not making the matter clear in prior meetings. On a motion to pay the claim to Avery, Mrs. Betine cast the only negative vote. The claim list contained several

sizeable amounts scheduled for payment. Among these were \$9788 for 56,744 gallons of asphalt, \$235 for 2693 gallons of road oil, and \$6220 for 1167 tons of half-inch rock, all payable to Midwest Black Top Roads, Inc. A claim of \$12,291 was approved for the United Disposal Co. for garbage collection, payable out of the sanitation fund.

A total of \$270 to be paid out of the contingency fund was approved as \$30 July expenses for Aldermen Steve Barsanti, J. D. Bergfeld, Clyde Boyd, Ford Johnson, Charles Moerlen, Walter Nony, Paul Rutledge, Casmer Skulush and Sam Whittier. An expense item of \$20 was paid to the Alderman Donald Partney for the cost of meals of participants in Southwestern Planning Commission meetings.

Reimburse Residents
The council approved \$384 to be paid out of the inspection fund for reimbursement of Granite City residents who had paid permit and inspection fees for repair of damage incurred by the April hail storm.

Payment of \$67 to the Bellemore Small Animal Hospital came in for brief criticism from Alderman Edmond Barriosak of the Second Ward. The claim was for hospitalization and observation of four cats that had bitten children. He said he did not intend to hold up the claim, but that he believed that such payments should be discontinued in the future.

County Group To Elect
A meeting of the Madison County Congress of Racial Equality will be held at 2 p.m. Saturday at 119 Booker street, Eagle Park Acres, Rev. O. S. Ehrig will preside and officers are to be elected. The public is being invited to attend.

Car Hits Street Sign
It was reported to Granite City police at 9:50 p.m. Tuesday that an automobile struck a stop sign at Edgewood and Willow avenues, ran through a yard and they left the scene. The sign was knocked down and there was slight damage to the lawn.

New Hair Style Trend Shown To Beauticians

Miss Joanne Prevett and Earl Parsons, local hairdressers, presented the newest trend in the hair fashion world, "The Flirtation Collection," to beauty shop owners and hairdressers of the Alton affiliate, National Hairdressers' Association, Monday evening. Their presentation was made during a regular meeting of the chapter in Alton.

Both Miss Prevett and Parsons, accompanied by Earl Tucker of Granite City, attended the national convention of hairdressers held last week in Cleveland, O., at which time the new "flirtation" trend for the fall and winter season was unveiled to more than 300 delegates. Hair stylists and cosmetologists representing each state and several foreign countries participated in three days of practical demonstrations, instruction seminars and social functions.

Three Bicycles Stolen At Park Swimming Pool

Three bicycles were stolen at the Wilson Park swimming pool Tuesday afternoon and evening. The first report was made at 4 p.m. by John Boyer, 2437 Lydia lane, a boy's red bicycle; the second at 5 p.m. by Andy Cisar, 2815 Pontoon road, a boy's bicycle without fenders; and the third at 7 p.m. by Eugene Packett, 2329 Paul street, a new boy's red 36-inch bicycle without fenders.

Driving Charge Filed

Richard N. Kimball, 21, of 2421 Edwards street, was arrested at 3:15 a.m. Wednesday at 17th street and Madison avenue on a charge of careless driving. A hearing was set for Aug. 8.

All too often we are giving young people cut flowers when we should be teaching them to grow their own plants.

—John W. Gardner

Parking Of Buses At 19th, Adams Proposed

A request of the Lybarger Material Co. for removal of city curbing and installation of three drive approaches at its 19th and Adams street plant was referred by the Granite City council Monday night to its street and alley committee.

The request, which reached the council as a communication in the regular council session, asked that two drive approaches be installed on 19th street and one on Adams street.

Charles A. Lybarger, president of the company, said the Adams street approach is to be used by city street department equipment, which uses part of the lot, and by school buses which are to be parked on the lot by the Bi-State Transit System.

The bus system recently negotiated a two-year lease with the firm to use parking space on the material company lot for school buses. No announcement has been made on use of the past bus parking area at 16th street and Madison avenue.

4th Heart Attack Fatal To Mrs. Gruenfelder

Mrs. Mary Virginia Gruenfelder, 46, of 2022 Fourth street, East Madison, died at 11:15 p.m. Monday in St. Elizabeth Hospital of a coronary thrombosis. In the hospital five hours, she had suffered three previous heart attacks since 1930.

A native of Venice, she had been a resident of the Quad-Cities all her life. She held membership in the Trinity Tabernacle.

She is survived by her husband, George Gruenfelder Jr., a son, George Gruenfelder III, two daughters, Mrs. Douglas (Mary Elizabeth) Doctor of Madison and Mrs. Louis (Patricia) Martin of Granite City; her mother, Mrs. Mary Miller of Venice; a sister, Mrs. Alice Christian of Granite City; and eight grandchildren.

Funeral services were held this afternoon at the church. Arrangements are given elsewhere in today's issue.

ARMY DEPOT BRIEFING for Major General Robert H. Adams (left), new commander of the XI Army Corps in St. Louis, by Colonel John M. Ansley, departing Depot commanding officer. Different phases of the Depot mission were pointed out on a model of the Depot in the Headquarters Building, followed by a tour of administrative areas and maintenance activities. The local Depot is under the command of the U.S. Army Supply and Maintenance Command, headquartered in Washington, D.C.

Zoning Hearing Aug. 13 On Old Kate St. Office

A Granite City Plan Commission hearing will be held at 1:15 p.m. Aug. 13 on a request by June W. Stieh, owner, to rezone three lots which included the former Kate Street post office building, 2816 Kate street, from residential to a business classification.

The topic was referred by the city council Monday night to its zoning committee headed by Alderman Donald Partney. If rezoning is authorized, the Tri-City Tobacco Co. now located at 2201 Madison avenue, plans to occupy the building as a wholesale candy and tobacco outlet.

GC Rotary Club Sees Film On Lighting Use

The Granite City Rotary club viewed a film on lighting in business and heard reports on advertising and ticket-selling for the Horse Show at a weekly meeting of the club Tuesday afternoon.

Wayne Deantir, program chairman of the day, presented a film, "Legend of Amqui Valley," which described the effects of improved lighting on employee morale and effectiveness. The film was prepared by Westinghouse Electric Corp.

Reports on the Horse Show in August were made by Paul Stout and James Louis.

State Judging of Talent, Beauty Begins in Aurora

Excitement is mounting in Aurora this week as 39 Illinois girls vie for the title of Miss Illinois and a chance for the coveted Miss America crown.

The girls are competing in the annual Miss Illinois pageant sponsored by the Junior Chamber of Commerce. It began with a parade Monday and will continue with various activities until the winner is declared on Saturday night.

No exception to the impressive aura of her surroundings is Miss Granite City, 19-year-old "Lee" Parmenter, who last night was to make a presentation of her talent, a pantomime act performed in the song "Honeydew" from the Broadway musical "South Pacific."

As in the local pageant, half of the total points accumulated towards winning the title are received by the candidates in their talent presentation. Other categories judged are the best appearance in a swimming suit, 25%, and the best appearance in an evening gown, 25%. Poise, intelligence and personality enter into all phases of the judging.

This afternoon, contestants will be honored at a judges' tea, with each candidate briefly interviewed. Tonight, Char Lee will make her evening gown appearance and on Friday evening she will compete in the swimming suit segment of the contest. Climaxing the pageant will be the "Presentation of the Cities" grand finale Saturday evening, with selection of the top ten finalists, who again will repeat their talent presentation prior to the naming of Miss Illinois.

Accompanying Miss Granite City in Aurora are her mother, Mrs. Charles Parmenter, 2209 Lincoln avenue, and representatives of the Granite City Junior Chamber of Commerce, Mr. and Mrs. Paul Morris and Mr. and Mrs. James Spinks.

Light Post Bent

Sidney Strotheide, 2504 Hodges avenue, reported at 9:10 a.m. Tuesday that a vandal had bent his steel yard light post after 10:30 p.m. Monday.

Cannon Supplies Orchestra Percussion

Tchaikovsky received a sizable assist Monday night from the Granite City Army Depot.

The unusual combination of musical and military operations occurred during the climactic fourth portion of the Russian composer's "1812 Overture," being performed by the Gateway Festival Orchestra on the St. Louis riverfront.

As conductor William Schatzkammer led the orchestra to a crescendo symbolizing the defeat of Napoleon's army, two Depot cannoners fired two volleys of 16 shots (all blanks) from a 75-mm. howitzer.

Sgt. 4 William McGee and Sgt. 4 William Kennedy, both of the 18th Engineer Co. (HMI), won a rousing ovation from the crowd of 3500 for their performance. McGee said later he had never heard of Tchaikovsky before. Kennedy said he had never seen a howitzer before.

GC Kiwanis Discuss Enlarging Membership

Granite City Kiwanis discussed means of increasing membership Monday night at the club's regular meeting at the Rose Bowl.

William Herman reported on sports day activities held July 21 at Sunset Hills country club. Sixteen members attended the meeting, presided over by Joseph Acquaviva.

Church Publication Editor To Speak Here

The minister of Central Christian Church, Rev. James R. Craddock, and his family are vacationing at Glace, W. Va. During his absence from the pulpit Sunday, Rev. James M. Flanagan will be the speaker.

Flanagan is associate editor of "The Christian," international weekly of the Christian Churches (Disciples of Christ). He is a member of the executive board, 14 years.

Madison County Farm Adviser

WHEAT HARVEST COMPLETED IN RECORD TIME

Practically all wheat fields in the county were harvested early this month, which probably set a record for early harvest. Chief reasons were the use of the new, earlier-maturing varieties and few stoppages of combining by rain. The average yield was good, many fields making over 30 bu. an acre.

The use of fertilizer along with the better varieties has of course been the most important factor

in increasing yields. If you sow wheat in unfertilized soil the crop is not likely to be worth harvesting, considering present prices and costs.

But if you provide the required amounts of limestone, phosphate, potash and nitrogen, wheat yields can jump to more than 30 bushels an acre. Without any one of these plant foods, the yield may drop considerably.

Over an eight-year period at the Brownstown Research Center, wheat receiving complete plant foods has averaged 48 bushels an acre. University of Illinois agronomist L. B. Miller showed farmers attending the recent field day how the yield of wheat receiving this treatment compared with that not receiving it.

Without phosphate, the average yield dropped to less than half—22 bushels an acre—and without phosphate and lime, the yield was not worth recording. Applied nitrogen has been responsible for an increase of about 12 bushels an acre over the eight years.

Other crops, such as corn, soybeans and forages, all suffer unless full nutrient requirements are provided. Micronutrients, such as molybdenum, boron, zinc, manganese and angustol, need individually or in combination and have not paid off consistently on land that has been treated with limestone, nitrogen, phosphate and potash.

The following phosphate treatments have produced top wheat yields at Brownstown: Four tons of limestone were enough when the study started in 1940 and two tons every eight years since that time. To meet the need for phosphate, 60 pounds of 19-0-0 applied for corn and 60 pounds for wheat. The phosphate treatment averaged 96.3 bu.

age yield dropped to less than half—22 bushels an acre—and without phosphate and lime, the yield was not worth recording. Applied nitrogen has been responsible for an increase of about 12 bushels an acre over the eight years.

Other crops, such as corn, soybeans and forages, all suffer unless full nutrient requirements are provided. Micronutrients, such as molybdenum, boron, zinc, manganese and angustol, need individually or in combination and have not paid off consistently on land that has been treated with limestone, nitrogen, phosphate and potash.

The following phosphate treatments have produced top wheat yields at Brownstown: Four tons of limestone were enough when the study started in 1940 and two tons every eight years since that time. To meet the need for phosphate, 60 pounds of 19-0-0 applied for corn and 60 pounds for wheat. The phosphate treatment averaged 96.3 bu.

consists of 165 pounds of 6-0-0—mixture of potash—on corn and on wheat. Nitrogen treatment consists of 80 pounds on corn and 40 pounds on wheat. The rotation is corn, soybeans, wheat and mixed hay.

Soft wheat varieties have consistently yielded more than hard varieties in this area. As usual, the soft wheats averaged more bushels per acre than the hard kinds in the two county variety tests recently harvested.

In the test grown by Bergmann-Taylor Seeds of St. Jacob, four soft varieties averaged 60.3 bu. per acre, while four hard varieties averaged 50.7 bu. The Traub variety, a hard wheat, unexpectedly ranked first, with 63 bu. Monon was second, 63 bu. and Knox third, 63 bu.

Others were Vermilion 58.6; Ottawa and Reed, both 56.5; Janney 54 and Omaha 49.

As reported last week, in the variety test grown by Jim Winick in Marine township, four soft varieties averaged 64.4 bu. per acre, while six hard varieties averaged 56.3 bu.

FARMERS WARNED TO WATCH CORN

Watch your corn for damage by fall armyworms which are appearing much earlier than usual this year.

The worms feed on the leaves and in the whorl. They also enter the ear, where the injury resembles that of the corn earworm. The tassels, leaves on the upper portion of the plant, and the ear may be partly or totally destroyed. The damage to the ear of corn may be far more important than the leaf damage. If more wheat harvest filler, these worms burrow deep into the whorl to the heart of the plant, individual plants will be seriously damaged. If the heart of the plant is not killed, it will grow out of the damage rapidly. The most important thing in controlling these pests is to apply the insecticide early. The worms mature rapidly. If most of the worms are large, they will pupate very soon and the insecticide will be wasted. If the worms are still small, control may be practical. Early control is always the best control.

Airplane or ground application of granulated insecticides give good control of the fall armyworm in the whorl and tassels of corn plants. The worms should be killed while they are still small and in the whorl. Use 1 pound of DDT (20 pounds of 5% DDT granules) or 2 pounds of 10% toxaphene granules, per acre. Aerial sprays of 1½ pounds of DDT give erratic control and generally are less effective than granules. When fall armyworms attack the ears of sweet corn, use the same treatment as for the corn earworm. Do not apply DDT to forage to be fed to dairy animals or livestock fattening for slaughter. Do not apply toxaphene to forage to be fed to dairy animals. At East 28 days before marketing, remove animals fattening for slaughter from forage crops or forage that has been treated with toxaphene.

FOUR-WHEEL DRIVE TRACTOR BEING DEMONSTRATED HERE

A new four-wheel drive tractor demonstrated on the farms operated by Otto H. Romann in Venue township is an example of the trend toward more powerful machinery for large acreages.

The tractor pulls two four-foot by 14 inch plows, plowing a strip 112 miles wide. The outfit can easily plow 60 acres a day.

A new machine owned by Warren and Robert Thurnau of St. Jacob takes care of three haying operations at once. It is a combination mower, conditioner and windrower, cutting 2 to 3 acres per hour with its 10 ft cut. Hay is usually left a day and a half in the windrow before baling and about 2 hours for silage. Several implement companies are making machines of this type.

Now is a good time to treat ponds for weeds and algae. The old copper sulfate treatment is still the most effective for algae. Several newer chemicals are used to control other aquatic weeds. Information is available at the farm adviser's office.

Marriage License Issued

Is your iron a slow poke?

Maybe it's time for a wiring check-up

In older homes (and some not so very old!) lazy electric appliances often act that way because the wiring does not supply adequate power.

Find out if this is the case in your home—especially when you can do so without spending a penny!

Ask your electric contractor to check your house wiring against modern standards for electric convenience and ample capacity, today and in the future.

Or ask Illinois Power for a wiring check-up. If your home meets modern standards, you'll receive the 100 Amp Reddy Living Award—proof of better living... electrically.

ILLINOIS POWER COMPANY

State Capitol NEWS

The 1964 hunting season dates and shooting hours on cock pheasants, quail, Hungarian partridge and rabbits were announced last week by William T. Lodge, director of the Illinois Department of Conservation.

The taking of upland game, fox, raccoon, opossum, skunk and weasel in the 29 counties open for shotgun deer hunting will be prohibited during Nov. 20, 21, 22 and 23 in the Northern Counties and during Nov. 20, 21 and 22 and Dec. 4, 5 and 6 in Central and Southern Counties. This closure pertains only to those counties open for shotgun deer hunting.

The dates and bag limit for the 1964 hunting season are as follows:

Cock Pheasants—Noon, Nov. 14 through Dec. 20, daily kill limit—3; possession limit, opening day—3; after opening day—6.

Quail—Noon, Nov. 14 through Dec. 31, daily kill limit—8; possession limit, opening day—3; after opening day—6.

Hungarian Partridge—Noon, Nov. 14 through Dec. 20, daily kill limit—2; possession limit, opening day—2; after opening day—4.

Rabbits—Sunrise, Nov. 24 through Jan. 31, 1965, daily kill limit—3; possession limit, opening day—3; after opening day—10.

417,000 CATTLE: These were 417,000 cattle and calves on feed in Illinois on July 1, 1964, according to a report from the Illinois Department of Agriculture.

Of the total number of feed, there were 76% or 107,000 head. Marketings during the period last year, the number of cattle and calves placed on feed last quarter was 13% less than in the same quarter in 1963—139,000 head compared to 159,000 head.

ILLINOIS now ranks first in the nation in annual sales of deciduous shade trees, according to Robert M. Schneider, state director of agriculture.

Last year (1963) the gross wholesale value of Illinois' deciduous trees grown and sold was \$1,378,000, about \$300,000 more than the amount realized by the closest competitor, California.

Schneider cited the latest statistics released by the Illinois Crop Reporting Service, which also show that Illinois ranks second in terms of annual sales of deciduous shrubs and second in sales of broad-leaved evergreens.

ILLINOIS last agricultural export business and its impact on world markets will be examined during a two-day Comstar Conference on Illinois Agricultural Exports this week in Springfield.

Agricultural experts, state officials and representatives of more than 35 foreign governments will attend the conference, the first of its kind, at the personal invitation of Gov. Otto Kerner.

The conference is designed to bring together Illinois agriculturists and representatives of overseas consumers to discuss mutual problems and formulate plans and solutions that could lead to the improvement of services.

and expansion of Illinois' export markets. Participating will be consul generals, vice consuls and commercial attaches from the major countries of the world.

"As America's leading state in the export of agricultural products, we would like to open our doors and invite the consuls to examine the methods and techniques used by Illinois farm experts to accelerate the production of agricultural products and their distribution," Gov. Kerner said.

The Illinois Arts Council has received a \$5000 grant to underwrite costs of artistic events in Downstate communities, George M. Irwin of Quincy, council chairman, announced last week.

The grant is from the Burrage D. Butler Memorial Trust of the Chicago Community Trust.

Burrage D. Butler for many years was president of Prairie Farmer Magazine. He was especially interested in rural Illinois. Additional information about the council's projects can be obtained from Irwin.

STATE FAIR TRAFFIC

To facilitate traffic flow and provide an added safety factor, one-way traffic into the Illinois State Fairgrounds will be in effect at the Main Gate and at Gate 11 four days before the 1964 State Fair opens.

In past years, congestion developed before the fair opened due to concessionaires setting up and sightseeing driving on the fairgrounds to watch activity.

The Main Gate on Sangamon Avenue will be closed at 4 p.m. Wednesday, Aug. 12, to all traffic except pedestrians, emergency vehicles and concessionaires with special passes. Starting at 12 a.m. Friday, Aug. 14, the fair's opening day, counter-clockwise traffic will begin around the fairgrounds.

A contingent of U. S. Marines will demonstrate group calisthenics, mock hand-to-hand combat and simulated shipboarding at Exposition Hall on the fairgrounds during the 1964 Illinois State Fair, Aug. 14-23. Spectators may participate in some of the events and compete for prizes.

Box offices on the fairgrounds will open each Saturday for sale of tickets to the Illinois State Fair Grandstand events. Box office hours are 9:30 a.m. to 4 p.m.

While all reserved seats for the automobile races, Saturday, Aug. 22, and the motorcycle races, Sunday, Aug. 23, are sold, tickets for the temporary grandstand and bleachers for these events are still available, said Luke Gleason, ticket department superintendent.

The Cinesphere is a movie theater that inflates in 10 minutes from a 4x4-foot package to a dome accommodating 200 persons. The vinyl-coated theater, supported entirely by interior air pressure, will give visitors to the State Fair the sensation of being in the center of the activity they see on the screen. The new kind of dimensional motion picture is identical to one being shown at the New York World's Fair, said Fair Manager Franklin H. Rust.

Sports Facilities At High School Repaired

Major repair and replacement
work was completed on four
Granite City schools during the
five-month February-through-
June period, school maintenance
reports show.

Most extensive work was done
on the athletic facilities at Gran-
ite City high school. Maintenance
crews replaced screens on two
portable backstops and consti-
tuted two others, while repairing
the wheels on a fifth backstop.
Old nets on the school tennis
courts were repaired and new
backstops and nets were in-
stalled.

Six volleyball posts and con-
crete pads for discs and shot
out were installed. Also provided
were five broad jump take-off
boards and six sand pits for
high jumping. In addition to the
athletic work, six classrooms and
the apartment suite were painted
and a new access door drilled
and installed in the vocational
building.

At Central junior high, work-
ers repainted the interior of the
entire building except the audi-
torium, and installed new panic
hardware at the exit doors. A
new garbage disposal unit and
better piping for drainage were
installed at Emerson school.
Grass seed was planted at Em-
erson.

At Frohardt school, the cafe-
teria kitchen and serving area
were entirely repainted, and 18
panes of glass were replaced.
Minor repairs, generally includ-
ing replacement of several panes
of glass, were carried out at the
19 district schools.

Ozro Hicks, 52, Dies Of Sudden Heart Attack

Ozro Hicks, 52, of 2310 Mis-
souri avenue died at 9 a.m. Tues-
day at Christian Welfare Hospi-
tal, East St. Louis, of a heart
attack. He had suffered from a
heart condition and had been in
the hospital one hour.

Born in Franklin county, Ill.,
he moved to Granite City 12
years ago from Christopher, Ill.
Since 1958, he had worked as a
machinist at the A. O. Smith
Corp. He was a member of the
United Pentecostal Church.

Survivors are his wife, Bessie;
son, Herschel of Granite City;
a daughter, Mrs. Grell (Wilma)
McReynolds of Granite City; a
brother, George T. Hicks of
Christopher; five sisters, Mrs.
James (Viranda) Elridge of Chi-
cago, Mrs. Reg (Sarah) Jenkins
of O'Fallon, Ill., Mrs. William
(Lorene) Trospier of Whittier,
Calif., Mrs. Harold (Alice) Al-
bright of Lawndale, Calif., and
Mrs. Henry (Eloise) Meadows of
Christopher; and four grandchil-
dren.

An obituary notice appears
elsewhere in this issue.

Coss Awarded 3-Year University Fellowship

Ronald Coss, of Santa Fe,
N. M., a son of Mr. and Mrs.
John Coss, 2288 Gary avenue, has
been awarded a three-year fel-
lowship to the University of
New Mexico in Albuquerque.
The scholarship was awarded by
the National Mental Health
Foundation. Coss was one of ten
chosen from the entire country.
He will work toward a Ph. D.
degree in educational administra-
tion. He has been serving as as-
sistant principal and youth guid-
ance counselor at the Santa Fe
high school.

The new work will deal pri-
marily with multi-cultural prob-
lems in educational administra-
tion and curriculum.
Mr. and Mrs. Coss and their
five children will move shortly to
Albuquerque.

TR 7-2006 GL 2-3119

— PICTURE THIS —

3 family-size bedrooms — Extremely large kitchen with all built-ins — full basement — oak floors — 1½ baths with vanity in full tiled bath — closets over-sized — insulated ceilings & walls — full house air conditioning — attached garage large enough and designed to serve as family room — Antique brick with white shutters — \$21,500 lot on hillside — hard to believe isn't it for \$17,500! \$200 down will move you in.

— A CUTE BUNGALOW — \$10,950 —

\$550 down and payments below \$85 per mo. on a 2-bedroom with full basement — Namekoi School District — very conveniently located as to bus & transportation. Perfect for young married couple (why pay rent?) — good size yard — Gas FWA heat — insulated ceilings & walls — Plastered interior — hardwood floors — possession real quick.

— PONTON ROAD COTTAGE FOR SALE —

White Asbestos siding insulated to make winters warmer, summers cooler and pocketbook thicker double-car garage completely fenced-in yard — shrubbery all around — painted basement — carpeted living & dining room — closet space galore — tiled bath — gas heat what more would you want? Oh, yes! Immediate possession also. Call the movers.

— ON STATE ST. — 1 BLOCK FROM THE PARK AT \$15,500 —

Sacred Heart and Nieringhaus School Districts — Brick Bungalow — with fireplace in the living room — 2-bedroom — enclosed porch on back — full basement — Oak floors — can be the third bedroom — Basement is high and dry — Furnace located in one end so that recreation facilities are readily handy — French type doors in front bedroom — living and dining rooms carpeted.

— A CORNER ON CARLSON —

Enjoy summer meals in the Family Room of this well kept bungalow — full painted basement that's high and dry all year around — Dining room adjacent to the living room and kitchen that's designed to save Mom steps — Oak floors — Plastered interior walls — combination alum. storm sash and full insulation — Attached garage — beautiful corner — immediate possession. Priced at \$17,900 — replacement over \$19,000.

— ST. ELIZABETH PARISH —

Completely surrounded by wonderful neighbors — this extra large ranch has attached garage — 3 good size bedrooms with plenty of closet space. Brick veneer construction, insulated ceilings & walls — Forced warm air heating system adaptable to central air conditioning — Dining room — built-in cabinets — plenty in a woman's kitchen. Vacant and available for immediate possession. Priced at \$17,900 — replacement over \$19,000.

— INCOME ON CLEVELAND BLVD. —

Five units of income in brick dwelling with plenty of parking facilities and a convenience of location. Utilities are separate on some of the units to provide easy bookkeeping — a \$30,000 return in 8 years will prove this investment to be sound. Call for particulars and an appointment to see this outstanding property.

— DUNLAP LAKE SITE —

Studded with oak and elm trees. This is one of the last available lake sites in this popular area — the retaining wall separates the sandy beach from the colored mud and bling mud. The private and does not permit thru traffic — Trade your equity and live on this beautiful lake.

— THE PARK FOR A PLAYGROUND —

A fireplace sets off the carpeted living room and dining room. The kitchen is designed with youngsters in mind — built-in dishwasher and tile splash wall — Breezeway separates the 1-car garage that is finished with the same style brick as the exterior of the dwelling — The shower over the colored mud and bling mud with matching ceramic tile sets off the bath — \$16,950 will move you into the Nieringhaus School District.
